Documentation
No.

Objective for Obtaining Permit:

Do you currently own gear to fish for hagfish? If yes, please describe the gear (including quantity).

If you do not currently own the gear, what, when, how much, and from where, do you plan to obtain it?

Do you have a buyer for your hagfish? If yes, who is the processor?
(Please attach a letter of intent to buy from the processor if possible)

Please explain the market (where will the hagfish ultimately be going, in what form, and for what use):

What amount of harvest is necessary in order to make fishing for hagfish worth your time and effort?

Are you willing to participate in setting-up and collecting research information on this species?
Yes___ No___

Do you have any ideas for research on this species?

Is there any additional information that you want the Developmental Fisheries Board to know when reviewing this application and deciding whether or not the permit should be issued?
