**Terminally Ill Family Member**

To provide a clarifying definition for “terminally ill”, insert new language in OAR 635-060-0046 (6) at the end of sentence on line 27 of Attachment 3 to read:

**For the purposes of this rule, “terminally ill” means that the family member has a medical prognosis that his or her life expectancy is 12 months or less if the illness runs its normal course.**
