

Go Oregon!

The Oregon Department of Fish and Wildlife (ODFW) has received approval and funding for 24 projects under the *Go Oregon!* stimulus bill. A list of these projects is provided in this handout.

The projects were chosen to correct deficiencies in critical system and ensure compliance with current codes. The agency has facilities in various locations throughout the state.

ODFW advertises the bid specifications on the State of Oregon's on-line procurement system (ORPIN) (<http://orpin.oregon.gov/open.dll/welcome>)

When searching for public works/Public Improvement projects for ODFW only, search for organization and then Fish and Wildlife Department of. You may also use the NIGP(National Institute of Governmental Purchasing) commodity code of 909-24

If certified through the OMWESB program, please ensure that your firm is certified for this commodity code.
