Temporary Fisheries Employment Opportunity
Oregon Department of Fish and Wildlife (ODFW)

**Classification:** Experimental Biology Aide
(Classification #C3769 – there is no announcement number for this recruitment)

**Salary Range:** $12.17 – $12.62 per hour,
(Commensurate with experience)

**Location:** Nehalem, OR

**Duration:** April 15, 2015 to June 30, 2015 (Temporary)

**Job Description:** The employee in this position will assist in field studies on the Life Cycle Monitoring Project collecting data on juvenile and adult salmonids. Principal duties will include processing fish at sites that trap adult and juvenile salmonids and conducting foot/float spawning ground surveys in the Nehalem area. Office work will include entering field data into a computer database and mounting juvenile and adult salmonid scales.

These positions require a flexible work schedule that varies in the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which the starting and stopping times vary on a daily basis, but not necessarily each day. Will include weekend and some night work. These positions may be physically demanding. Employees will occasionally be working independently under adverse weather conditions in semi-remote areas.

**Requirements:** Applicants must have a valid driver license and an acceptable driving record.

Minimum qualifications are not established for these positions; however applicants with related experience (e.g., experience handling and tagging adult and juvenile salmonids, operating and maintaining fish traps and equipment, ability to identify adult and juvenile salmonids, and keep neat and precise field data) may be given preference.

**To Apply:** Applications accepted until further notice. Email, mail or FAX a completed Department of Fish & Wildlife Application form to:

Oregon Department of Fish and Wildlife
