

TEMPORARY EMPLOYMENT OPPORTUNITY

Creel Surveyor

2017-18 Necanicum River Spawning Survey

Classification: Experimental Biology Aide (#C3769-there is no job posting number for this recruitment)

Salary: \$2,200 to \$2,281 per month depending on experience.

Effective November 1, 2016, SEIU represented employees who are Public Employee Retirement System (PERS) participating members will have their base salary increased by 6.95%. Upon becoming a PERS participating member, SEIU employees pay the employee 6% contribution to PERS. See FAQs at <http://www.seiu503.org/wp-content/blogs.dir/10/files/2016/10/PERS-pick-up-FAQ-10.14.2016-update.2.pdf>

Location: Nehalem, OR – Nehalem Hatchery
Surveyor will be starting from Nehalem hatchery on Hwy 53 daily and driving a state vehicle to the Necanicum basin.

Anticipated Duration: Expected to begin on or about December 1, 2017 and are scheduled to continue until February 28, 2018. *These are estimated dates. Length of season(s) may be shortened or extended*

Duties: The employee will conduct a creel survey of anglers in the Necanicum River basin. Specific activities will include interviewing anglers to determine catch, and possibly conducting effort counts (vehicle, trailer, boat and/or angler counts). The employee will also collect biological information from sampled fish, including length, sex, scales, and fin-clips or marks. The employee will be required to work weekends and some holidays.

This position requires a flexible work schedule that varies in the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which the starting and stopping times vary on a daily basis, but not necessarily each day. These positions also entail working outdoors, often in inclement weather and on uneven terrain.

Requirements: Applicants must have a valid driver license and an acceptable driving record.

Minimum qualifications are not established for this position; however applicants with a college degree in fisheries or wildlife Science, biology, or closely related biological/ecological field and experience conducting creel surveys, identifying adult salmonids, and taking biological samples will be given preference.

To Apply: Complete an Oregon Department of Fish & Wildlife Employment Application. Application forms can be obtained from the ODFW's Jobs Page under seasonal jobs at: www.dfw.state.or.us/hr/seasonal_jobs.asp. Applications and inquiries should be referred to:

Michael Sinnott
Oregon Department of Fish and Wildlife
4907 E. Third St.
Tillamook, OR 97141
Email: Michael.Sinnott@state.or.us
Phone 503-842-2741 x237
FAX 503-842-8385

Closing Date: Applications will be accepted until the position is filled.

Within three days of hire, applicants will be required to complete the U.S. Department of Homeland Security's I-9 form confirming authorization to work in the United States. ODFW participates in E-Verify. ODFW is unable to support VISA sponsorships.

If you have a disability, and need assistance completing the application form (PD100), you may call the Fish and Wildlife Human Resources office at (503) 947-6051) between the hours of 8 AM and 5 PM. Reasonable accommodations for interviews will be provided to individuals with disabilities upon request.

The Oregon Dept. of Fish and Wildlife is an Equal Opportunity/Affirmative Action Employer.
