Section I. Employee and or the Covered Servicemember (for whom the employee is requesting leave to provide care) Completes this Section

Instructions to the employee or covered servicemember: Complete Section I before having Section II completed. The FMLA permits the agency to require an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a covered servicemember. If requested by the agency, your response is required to obtain or retain the benefit of FMLA-protected leave per 29 U.S.C. §§ 2613, 2614(c)(3). Failure to do so may result in a denial of your FMLA request per 29 C.F.R. § 825.310(f). Please return this form to the agency within 15 calendar days.

Instructions to the health care provider: The employee listed above has requested leave under the FMLA to care for a family member who is a member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA leave due to a covered servicemember’s serious injury or illness must include written documentation confirming that the covered servicemember’s injury or illness was incurred in the line of duty on active duty and that the covered servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based on your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as “lifetime,” “unknown,” or “indeterminate” may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave.

If you are unable to make certain of the military-related determinations contained below in Part B, you are permitted to rely upon determinations from an authorized DOD representative (such as a DOD recovery care coordinator.) (Please ensure that Section I above has been completed before completing Section II.) Please sign the form on the last page.
