The C2 Cattle Company, a 9500 acre ranch near Medford, is conducting a drawing to allow 10 youth turkey hunts during the spring 2015 season. These hunts are made possible through the ODFW Access and Habitat Program. Each hunt will be for one day, and the Ranch will provide a guide for each hunter. A parent or other adult may accompany a youth hunter. Interested hunters can apply by mailing, faxing or emailing the attached application. Applications must be received by March 31, and successful applicants will be notified on April 1. For questions call Vince Oredson at ODFW Central Point.
