

Widman Access Area

The Widman Access Area is a cooperative program between a private landowner and the Oregon Department of Fish and Wildlife Access and Habitat Program to maintain public hunting access on private lands and increase access to public land. The Widman Access Area east of Baker City, OR provides public hunting opportunities for deer, elk, pronghorn antelope, predators, chukar, sage-grouse, and quail. All Oregon Department of Fish and Wildlife Regulations and Seasons apply.

**Access Allowed:
August 1 - January 31**

No permission is required to hunt on the Widman Access Area. The area is surrounded by both public and private lands and you are responsible for knowing property boundaries. Do Not Trespass on surrounding private lands.

Hunting on private lands is a privilege, not a right. Private land hunting opportunities will remain in the future only if the property and rights of private landowners are respected! Abuse it and you will lose it!

Area Regulations:

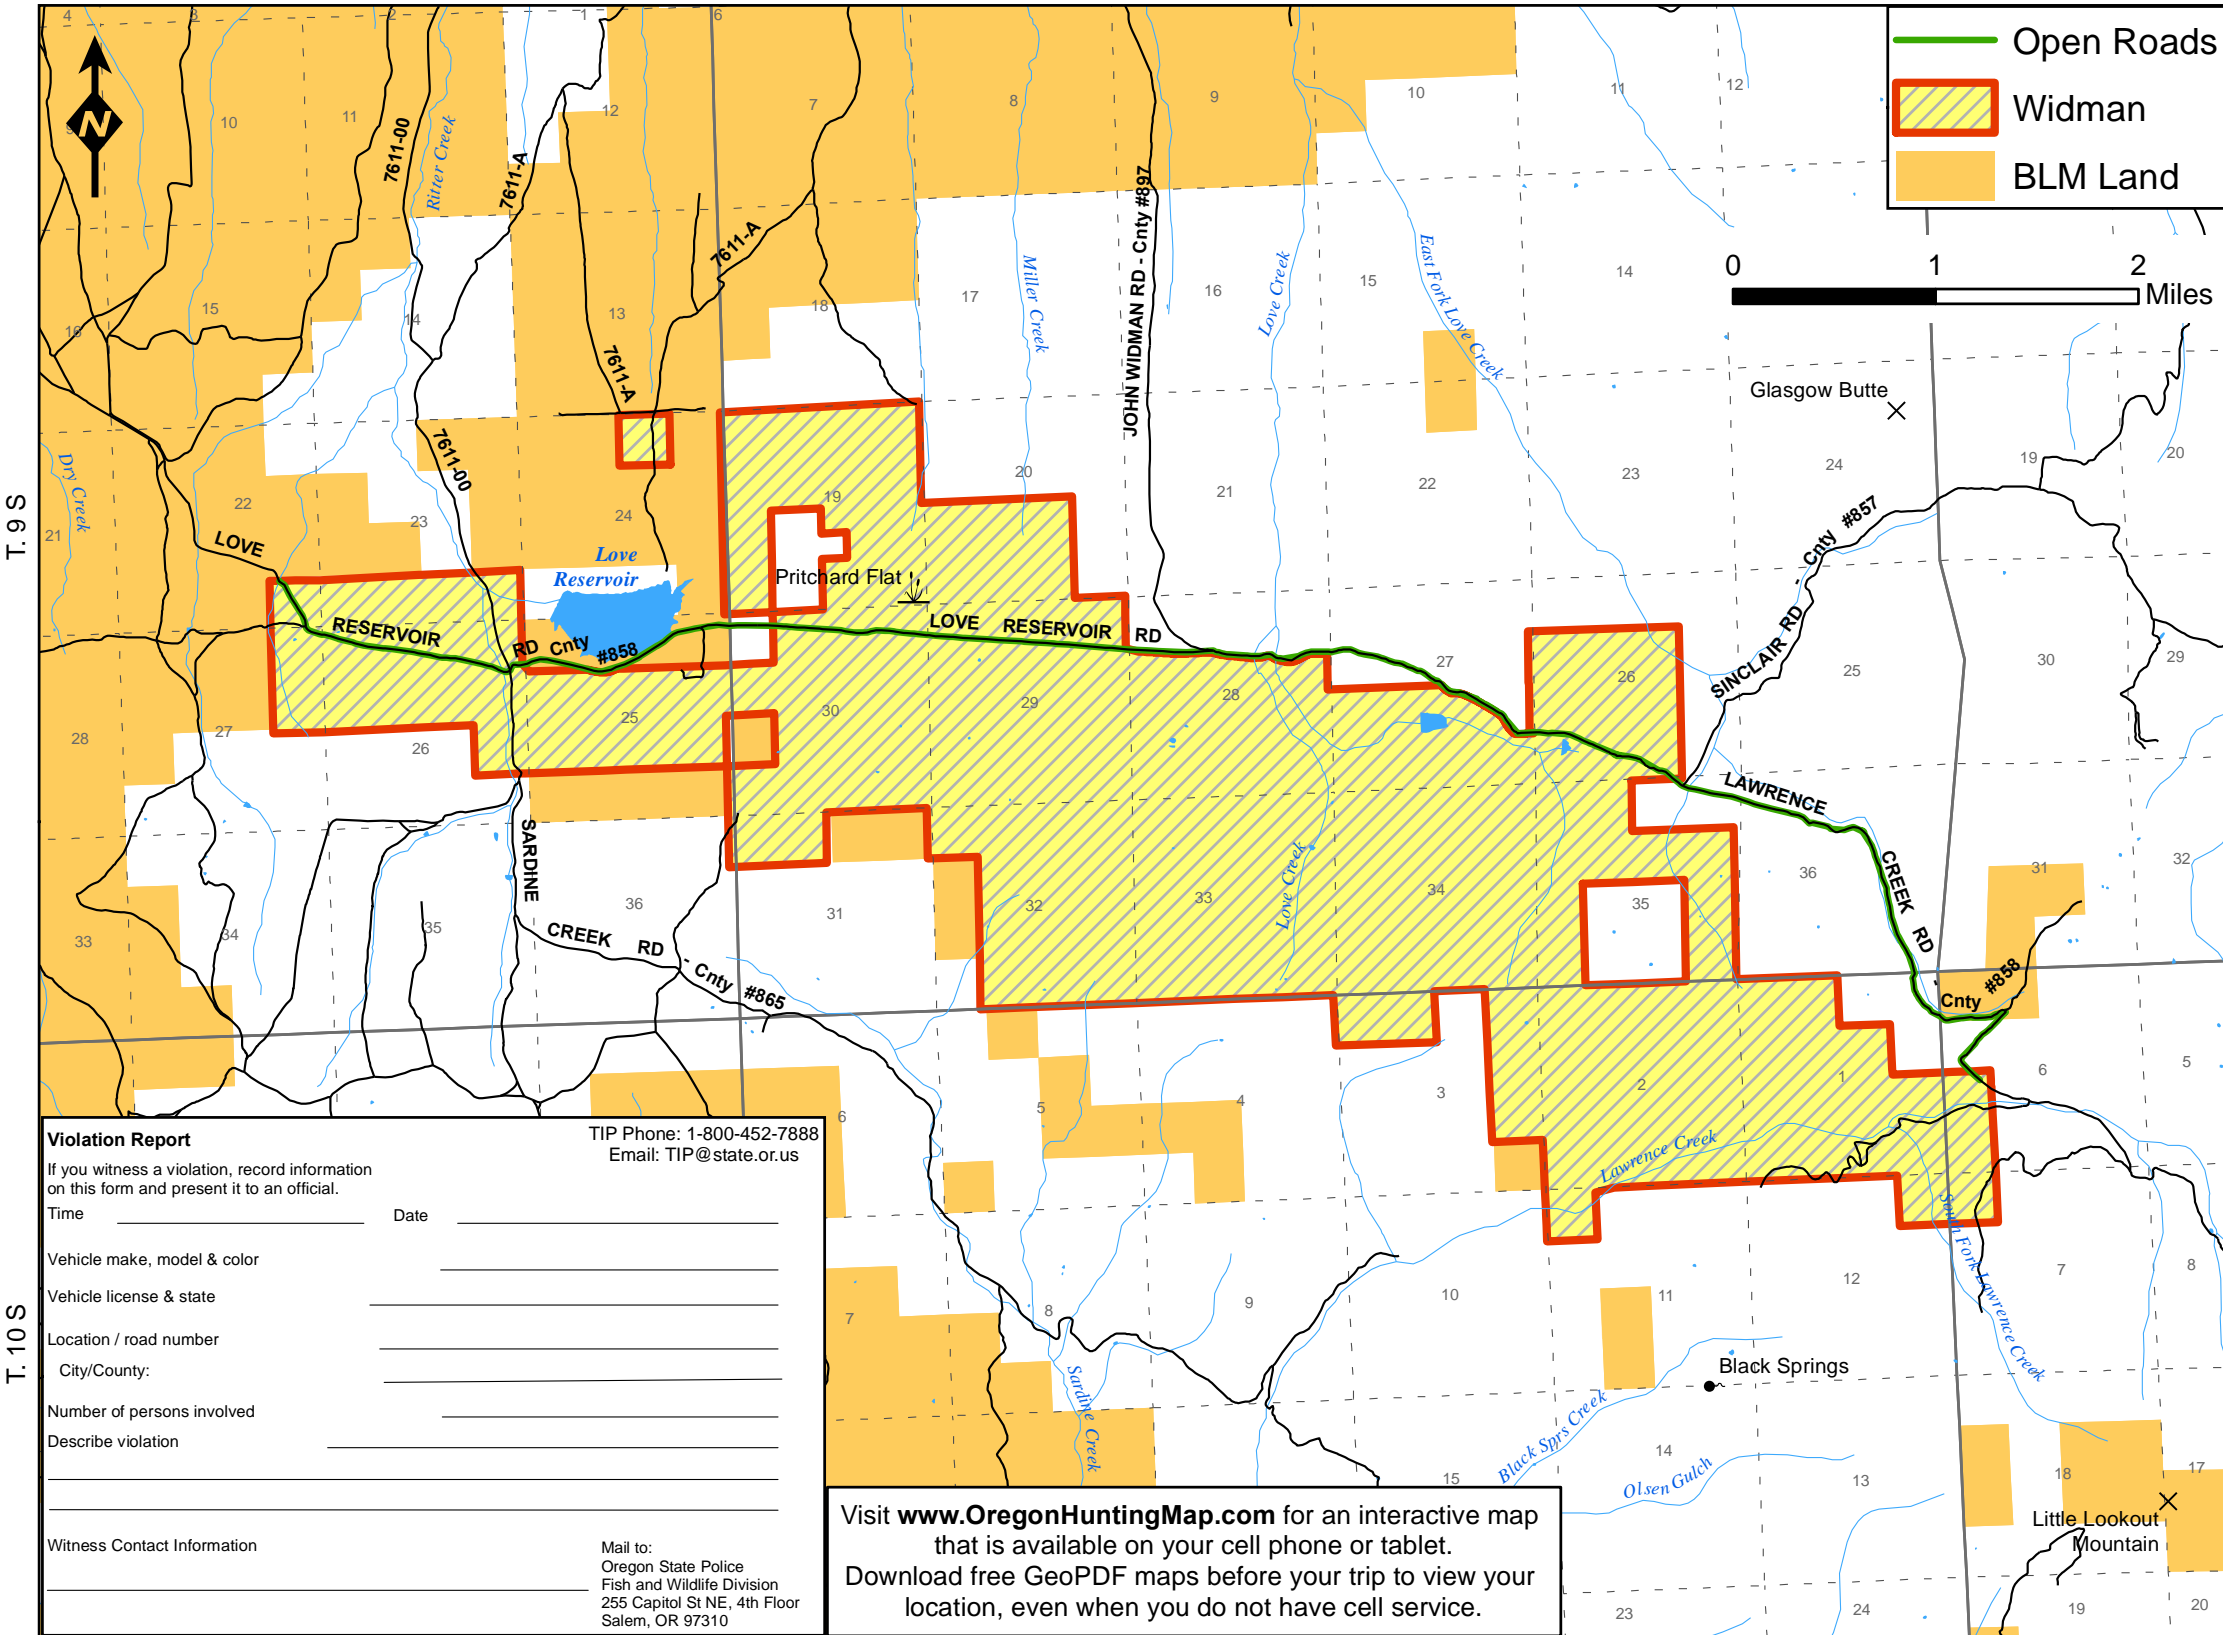

- No camping or night-time use of private land
- No fires, be careful with cigarettes
- Respect landowners rights and needs
- Leave all gates as you found them
- No littering, pick up any trash
- Report unlawful activities
- No motorized vehicles off of county roads within boundary
