The Wallowa-Whitman National Forest intends to protect soils, watershed and wildlife habitat prior to the first rifle bull elk season.

Period of Restriction:
3 days prior to the first rifle bull elk season through the end of the second rifle bull elk season

Oct. 26 through Nov. 16

Only those roads shown in green, and the adjacent area within 200 feet of those roads, are open to motorized vehicles during the period of restrictions beginning 3 days prior to the first rifle bull elk season.

Motorized vehicle travel within the Travel Management Area boundary on all other roads and trails, and cross-country is prohibited except by permit from the Wallowa-Whitman National Forest.

Help us in our effort to control the spread of noxious weeds, primarily TANSY RAGWORT. If you find any of these plants, please do not disturb them and immediately report the number and their location to the Forest Service, State Police, Department of Fish and Wildlife of the Wallowa County Weed Control personnel.

OBJECTIVES:
1. Protect soils, watershed and wildlife habitat
2. Minimize harassment of wildlife
3. Maintain adequate buck and bull escapement
4. Promote quality hunting
