2017 Wildlife Control Operators - Monthly Report Form

Business: **WCO #:** **Month**

Name: Last **First** (One full calendar Month)

Address: **Telephone #:**

City: **State:** **Zip:** **Page** **of**

Instructions and Notes:

1. Please complete and send to the Oregon Department of Fish and Wildlife office issuing permit **no later than the 15th of the following month.**
2. A report form is required **even if no** activity occurred. In that case, just complete the top section, write "no activity" and return form.
3. Reporting is required for:
   a. All species that are removed alive (for relocation, euthanasia or transport to a wildlife rehabilitator) from private or public land when authorized by a public agency which has authority over the land.
   b. All species that are captured on public land when authorized by a public agency which has authority over the land, regardless of disposition.
   c. Any non-target wildlife captured if such wildlife is relocated, euthanized or injured.

4. Reporting is not required for Predatory Animals or Nongame Wildlife Nonprotected captured on private land then either euthanized or released on-site, but you are encouraged to list all WCO work done in the month, including exclusion work to show you are actively working as a WCO

5. Be specific on the release site description, e.g., mile post #, landmark, distance from road.
