

\$1,018,168 Other Funds are made to reflect OUS not paying DAS assessments after July 1, 2012. Additional Other Funds adjustments related to the fiscal impact of Senate Bill 242 include adding \$250,000 for a risk management consultant, \$200,000 for a study on alternative health plans, and \$14,580 due to increasing the membership of the Board of Higher Education to 15 people. Overall, these changes reduce the OUS budget for education and general services by \$9.6 million General Fund and add \$1.8 million Other Funds expenditure limitation. For complete details on the fiscal effects of Senate Bill 242, see the fiscal impact statement issued for Senate Bill 242-C.

Senate Bill 5508 also appropriates \$5,660,047 General Fund for debt service on outstanding Article XI-Q general obligation bonds. The budget for OUS included no debt service for these bonds, which have largely replaced the use of Certificates of Participation.

The Subcommittee approved an additional \$500,000 General Fund for Dispute Resolution services at the University of Oregon and an additional \$150,000 General Fund for the Labor Education Research Center at the University of Oregon. Both increases were made as one time additions in General Fund support for the 2011-13 biennium only.

## **HUMAN SERVICES**

### Oregon Health Authority

The Subcommittee approved an additional \$13.9 million Other Funds and \$23.3 million Federal Funds expenditure limitation for the increased hospital benefits for clients in the Oregon Health Plan Standard program. These increased benefits were part of the hospital provider tax expansion, but were contingent on the passage of Senate Bill 204. For this reason the limitation was not included in Senate Bill 5529, the budget bill for the Oregon Health Authority. The Subcommittee also approved the addition of \$600,000 General Fund to mitigate the reduction to the reimbursement rate for durable medical equipment.

In addition, \$300,000 Other Funds expenditure limitation was added to Public Health to restore funding to the Oregon Trauma System. The Seniors Farmers Market Program was increased by \$5,000 Other Funds and \$60,000 Federal Funds expenditure limitation. Revenues from increased medical marijuana fees will fund the state portion of these two items.

The Subcommittee directed the following budget note related to contracts for managed care plans:

### **BUDGET NOTE**

The Oregon Health Authority (OHA) priority shall be to renew contracts of prepaid managed care plans under contract January 1, 2011 within budgetary constraints. The OHA shall not use a competitive bid process or similar process in the renewal of the contracts for prepaid managed care organizations. OHA will work cooperatively with plans to develop capitation rates using realistic pricing structures which are actuarially sound and which address the fiscal viability of the plans given the budget reductions. This structure should reflect the legislatively approved budget and its reductions as well as the need for federal approval in the most expeditious and fiscally prudent manner.

Department of Human Services

The Subcommittee added \$1.5 million Federal Funds expenditure limitation to the Children, Adults and Families budget, based on a federal bonus for Oregon's low negative error rate in administering the Supplemental Nutrition Assistance Program (SNAP/food stamps). The agency expects to use the one-time federal award to offset General Fund expenditures in program administration. The General Fund will be shifted to the Temporary Assistance to Needy Families (TANF) program budget to continue, for at least the first year of the biennium, the \$50 monthly Post-TANF payments for families who are transitioning from TANF cash assistance to employment. House Bill 5030, the department's budget bill, anticipated eliminating these payments for the full 2011-13 biennium as a budget savings action.

The Subcommittee approved an additional \$500,000 General Fund for Oregon Project Independence. Together with funding in House Bill 5030, this brings program funding to \$9.5 million General Fund for the 2011-13 biennium.

After completion of the DHS budget in House Bill 5030, DHS discovered that the budgeted funding level for Type B Area Agencies on Aging (AAAs), who determine long-term care service and financial eligibility and provide adult protective services for seniors and people with physical disabilities, was not sufficient to fund the AAAs at 85% equity relative to state office costs as was intended. The funding level in House Bill 5030 would instead fund Type B AAAs at 83.7% equity. The Subcommittee approved \$279,161 General Fund and \$260,139 Federal Funds to fund the AAAs at 85% equity through February 2012. This allows time for DHS and the AAAs to review the funding allocation model, overall costs, revenues and caseload trends, with the intent that DHS and the AAAs make a recommendation to the 2012 Legislative Assembly for addressing this issue for the balance of the 2011-13 biennium.

An additional \$2 million General Fund and \$3.3 million Federal Funds was approved to partially restore rate reductions slated for certain providers of developmental disability (DD) comprehensive services. The budget continues the DD provider rate reductions implemented as part of the DHS allotment reductions for the 2009-11 biennium, but the added funding will avoid, at least through February 2012, further reductions otherwise expected for the 2011-13 biennium. The added funding will delay the October 1, 2011 4% comprehensive services rate reduction through February 2012 for Adult Supportive Living Services, Adult and Children's 24-Hour DD Residential Services, Employment Services and Children's Proctor Care; and fund brokerage administration at 89% of equity. The funding will not impact the following reductions set to take effect October 1, 2011: 10% reduction to Adult DD Foster Care providers and Community Developmental Disability Programs; a further 4% reduction in Children's DD Foster Care; and a 4% reduction to non-Alternatives to Employment program transportation.

State Commission on Children and Families

An additional 0.25 FTE reduction is made as a technical adjustment to reflect the Commission's final staffing plan to implement its legislatively adopted budget in Senate Bill 5550.

**JUDICIAL BRANCH**

Judicial Department

The Subcommittee approved adjustments to the budget for the Judicial Department as follows:

## Oregon Department of Fish and Wildlife

- House Bill 2710 transfers funding of the Collection and Revenue Management Program from Other Funds back to the General Fund. This results in a \$28.2 million Other Funds expenditure limitation reduction, with General Fund appropriations of \$9.3 million for third party debt collection fees and \$18.9 million for Personal Service and services and supplies costs. This action does not result in any change to the Department's positions or FTE.
- A General Fund appropriation of \$2 million for Trial and Appellate level operations costs.
- General Fund appropriations for payments to the Oregon Law Commission (\$223,000) and the Council on Court Procedures (\$52,000).
- An Other Funds reduction of \$405,816 for the costs of issuance for Oregon eCourt Program Article XI-Q bonds. The Department's budget will retain \$100,000 for the \$6 million of Article XI-Q bonds approved in House Bill 5005.
- A General Fund Debt Service reduction of \$486,738, which reflects a lower Article XI-Q bond issuance for the Oregon eCourt Program than was assumed in the Governor's recommended budget.

### LEGISLATIVE BRANCH

#### Legislative Counsel Committee

The Other Funds expenditure limitation for the Legislative Counsel Committee is decreased by \$275,000 for payments to the Oregon Law Commission (\$223,000) and the Council on Court Procedures (\$52,000). For the 2011-13 biennium, these two entities will receive a General Fund appropriation through the Oregon Judicial Department (see the Judicial Branch program area narrative above).

### NATURAL RESOURCES

#### State Department of Agriculture

Lottery funds expenditure limitation is increased by \$543,000 on a one-time basis to accommodate 2009-11 carry forward for weed control activities. Due to the excessively wet spring, the Department was unable to complete all the weed control projects originally planned for the 2009-11 biennium.

#### State Department of Energy

Senate Bill 5508 increases the Department's Other Funds expenditure limitation by \$100,000 for financing and technical assistance to school districts for investments in energy efficiency in the 2011-13 biennium; this includes one limited-duration finance position (1.00 FTE). It also increases Other Funds by \$400,000 for the expenses of one limited-duration Governor's energy policy advisor position (1.00 FTE), for supporting the development of a 10-year plan for energy, and for coordinating other activities related to energy policy within the Office of the Governor and the Department.

The following budget note was approved:

**BUDGET NOTE**

The Department of Energy will establish a work group to develop policy recommendations to be provided to the Legislature during the February 2012 session relating to large single load customers that result in small utilities being re-designated as large utilities under the renewable portfolio standard. Members of the workgroup shall consist of nine members, appointed as follows:

- The Department of Energy shall appoint:
  - two representatives of the Umatilla Electric Cooperative;
  - one representative of the environmental community;
  - one representative of the natural resource community; and
  - one representative of consumer owned utilities.
- The Co-Speakers of the House of Representatives shall appoint two members, one from each caucus, who shall serve as ex-officio members.
- The Senate President shall appoint two members, one from each caucus, who shall serve as ex-officio members.

A representative of the Governor’s office, designated by the Governor, is also invited to participate.

The work group shall:

- examine issues and develop policy recommendations relating to small utilities that have large single load customers, which result in the utilities being reclassified as large utilities under the renewable portfolio standard;
- examine complications resulting from contract requirements between the Bonneville Power Administration and preferred energy customers for Tier II energy contracts, and make recommendations for potential rule or policy changes; and
- submit a report, including findings and recommendations, to the Department of Energy and the interim legislative committees relating to energy and consumer protection no later than February 1, 2012.

Department of Environmental Quality

The Subcommittee approved the following budget note relating to the implementation of new water quality standards:

**BUDGET NOTE**

By February 15, 2013, DEQ shall report to the Seventy-seventh Legislative Assembly on the status of the water quality standards rules proposed for adoption in June 2011, including whether the rules were adopted by the Environmental Quality Commission (EQC) and approved by the Environmental Protection Agency (EPA). If the standards are adopted and approved, the report shall also include, but need not be limited to:

## Oregon Department of Fish and Wildlife

- the number and types of variances granted;
- a summary of the conditions contained in the variances;
- for each variance application received by DEQ, the cost incurred by a permittee to prepare the variance application as made available by the applicant; and,
- information provided by permittees who applied for a variance on the estimated costs associated with implementing the pollution prevention plan required by the variance and other related fiscal impacts.

By February 15, 2015, DEQ shall report to the Seventy-eighth Legislative Assembly on the status and implementation of the human health toxics standards and any related standards adopted by the EQC and approved by EPA after June 2011. The report shall also include but not be limited to the information listed above.

### State Department of Fish and Wildlife

Senate Bill 5508 establishes \$726,928 Other Funds expenditure limitation for State Department of Fish and Wildlife debt service payments for the agency's headquarters building project to be financed with Article XI-Q bonds authorized in HB 5005.

### State Forestry Department

The Subcommittee approved an increase of \$414,881 Other Funds for the cost of issuance related to the sale of lottery bonds (\$1.9 million) authorized in House Bill 5036 for the purchase of land in the Gilchrist Forest. The Subcommittee reduced the Private Forests Other Funds expenditure limitation by \$300,000 to remove limitation related to contract services funded by the harvest tax revenue. These services will be accommodated within the Department's total budget authorization for the 2011-13 biennium.

### Water Resources Department

Senate Bill 5508 appropriates \$487,062 General Fund to restore a Water Availability Modeler position (\$152,972), a Groundwater Hydro-geologist position (\$159,090) and groundwater research funds (\$125,000) that the Governor's recommended budget proposed to eliminate, and provide \$50,000 services and supplies to contract data systems maintenance and software applications related to the program. Restoring the two positions (2.00 FTE) enables the department to maintain water availability models and hydrographic data needed to make decisions when water right applications, permits, and transfers are evaluated; and identify aquifer boundaries, define water budgets, document the interaction between surface water and groundwater and quantify the impacts of future allocations on senior users and the water resource.

## **PUBLIC SAFETY**

### Oregon Criminal Justice Commission

Other Funds expenditure limitation for the Criminal Justice Commission is increased by \$176,384 to provide sufficient limitation for payment to drug courts to comply with the 2005 law that requires the Commission pay 20% of forfeiture collections to drug courts.

Department of Justice

The Subcommittee appropriated \$600,000 General Fund to the Department of Justice for two Crime Victims' programs. The Child Abuse Multidisciplinary Account (CAMI) is to receive \$458,940 General Fund and the Oregon Domestic and Sexual Violence Abuse program is to receive \$141,060 General Fund. These appropriations are in addition to the resources included in the budget bill for the Department of Justice (Senate Bill 5518).

Oregon Military Department

The Subcommittee approved \$7.5 million Other Funds expenditure limitation for the expenditure of Article XI-M seismic rehabilitation bonds approved in House Bill 5005. Additionally, the Subcommittee appropriated \$618,000 in General Fund debt service for the Article XI-M bonds and added \$114,000 Other Funds expenditure limitation for the cost of issuance.

The Subcommittee approved a \$43,737 Other Funds expenditure limitation increase for the cost of issuance of The Dalles Readiness Center's Article XI-Q bonds, as approved in House Bill 5005. This issuance, which will occur late in the 2011-13 biennium, does not have any associated General Fund debt service during the biennium.

Oregon Youth Authority

An additional \$300,000 General Fund is appropriated to the Oregon Youth Authority to enhance funding for east Multnomah County gang intervention services.

**TRANSPORTATION**

Department of Transportation

The Subcommittee added \$2 million General Fund for Senior and Disabled Transportation operating grants in the Oregon Transportation Department's Public Transit division. Public transit activities include offering mobility grants to communities to ensure equality of opportunity to access transportation systems and services for seniors and individuals with disabilities.

The Subcommittee approved an increase of \$12,503,912 Other Funds expenditure limitation to implement provisions of House Bill 5036 authorizing issuance of lottery bonds for Connect Oregon IV for multimodal transportation projects. This amount includes the cost of issuance and the amount of bond proceeds that is anticipated to be distributed during the biennium.

An additional \$549,715 Other Funds expenditure limitation was approved to correct a calculation error in vacancy savings for Motor Carrier Transportation (\$193,815), Transportation Program Development (\$334,957), and the Transportation Safety Program (\$20,943).

**Adjustments to 2009-11 Budgets**

Public Utility Commission

Senate Bill 5508 increases the Commission's Other Funds expenditure limitation by \$10,000 for the Board of Maritime Pilots related to Attorney General charges associated with rate cases.

Oregon University System (Department of Higher Education)

Federal Funds expenditure limitation for the Oregon University System is increased by \$3,550. Unallocated federal American Recovery and Reinvestment Act funding is added for 2009-11 to ensure the correct distribution of these funds is maintained between the education sectors as required by the granting authority.

Judicial Department

The Judicial Department budget is increased with a \$499,999 General Fund appropriation for operations. The amount of the appropriation is to ensure that the Department receives seven quarters of House Bill 2287 revenues (\$22,002,005) as anticipated in the Department's 2009-11 legislatively approved budget.

Public Defense Services Commission

The Subcommittee approved a supplemental General Fund appropriation of \$802,570 for the Public Defense Services Account for trial-level public defense. The amount of the appropriation is to ensure that the agency receives seven quarters of House Bill 2287 revenues (\$12,380,573) as anticipated in the Commission's 2009-11 legislatively approved budget.

Oregon Watershed Enhancement Board

Expenditure limitation for this Board is increased by \$800,000 Federal Funds to pay out federal land acquisition grants that the agency expects to expend late in the current biennium.

Department of Transportation

The Subcommittee added \$2 Lottery Funds expenditure limitation for debt service payments for Connect Oregon II for multimodal transportation projects and the Southeast Metro Milwaukie Extension bonds.

Oregon Department of Fish and Wildlife

**2009-11 Expenditure Limitation Adjustments**

**Oregon University System**

Other Funds \$ -84,847,001 \$ (84,847,001)

**Department of Forestry**

Other Funds \$ 1,983,256 \$ 1,983,256

**2007-09 Expenditure Limitation Adjustments**

**Department of Transportation**

Other Funds \$ 500,000 \$ 500,000

**Summary of Revenue Changes**

State Agencies (excluding Oregon University System)

Other Fund revenues are from the proceeds of the issuance of Article XI-Q bonds, Lottery Bonds, the depreciation component of the Uniform Rent program and other deposits in the Department of Administrative Services Capital Projects Fund established by ORS 276.005, parking facilities income, Fish & Wildlife license fees, developer fees, funds from a project-related mitigation agreement, city and county contributions, proceeds from aircraft registration fees assessed in accordance with ORS 837.045, and state gasoline tax and driver and vehicle related fees. Federal Funds revenues are from National Guard Bureau Federal/State Cooperative Agreements, the Federal Aviation Administration’s General Entitlement Program, and the Federal Airport Improvement Program.

Oregon University System

Funding for Oregon University System capital construction projects includes Lottery Bonds, Article XI-F (1) bonds, Article XI-Q bonds, and gifts, grants, and donations (Other Revenues). Debt service on Lottery Bonds is paid with Lottery Funds. Article XI-Q debt service is paid with General Fund. Debt service on Article XI-F (1) bonds is paid with campus funds, including housing and dining revenues, student facility fees, tuition, and fund balances.

## **Summary of Capital Construction Subcommittee Action**

Senate Bill 5506 provides six year expenditure limitation for new capital construction projects. Projects in excess of \$1 million that build, acquire, adapt, replace, or change the use or function of a facility are categorized as capital construction projects. All capital projects in excess of \$1 million require a separate Capital Construction expenditure limitation established by the Legislature or the Emergency Board. Senate Bill 5506 also extends the six year expiration dates and expenditure limitations for specified projects.

### Oregon Health Authority

**State Hospital Replacement Project:** \$59,900,000 Other Funds (Article XI-Q) is approved for continuation of the project to provide new mental health facilities to replace the State Hospital constructed in 1883. The 620 bed Salem campus is expected to be completed by the end of calendar year 2011. Project funding includes development and implementation of the Behavioral Health Integration Project (BHIP). The subcommittee recommendation is to provide \$5 million for further planning and infrastructure development of both mental health and correction uses at the Junction City site. Debt service will be paid with General Fund.

### Department of Administrative Services

**HVAC Improvement Projects – phase 1:** \$1,535,603 Other Funds (Capital Projects Fund) is approved to provide HVAC system upgrades on several state-owned buildings. Planned improvements include cooling tower refurbishments at the Public Service Building and Portland State Office Building, boiler work at the Agriculture Building, improvements to the digital control systems at the Human Services Building and various other projects.

**Roof Replacements:** \$1,479,759 Other Funds (Capital Projects Fund) is approved to provide roof replacements or repairs on several state buildings. Planned work includes roof replacement at the Employment Building and Public Services Building, roof seam repairs at the Portland State Office Building and various other projects.

**Fire Panel Upgrades:** \$2,791,212 Other Funds (Capital Projects Fund) is approved to upgrade the fire panels and alarm systems in a number of state facilities. Planned installations include upgrades at the Archives Building, Print Plant, Human Services Building, the capitol mall parking structure and various other projects.

**Building Exterior Weatherization:** \$1,552,033 Other Funds (Capital Projects Fund) is approved for the cleaning, sealing and weatherization of several state buildings. Planned action includes weatherization of the General Services Building, Agriculture Building, Portland State Office Building, Salem Motor Pool, and various other projects.

**Parking Projects:** \$2,268,881 Other Funds (parking facilities income) is approved to fund resurfacing, structure recoating, deck resealing, and landscape improvements for several state-owned parking structures. Work is planned to resurface the Yellow Lot, reseal the street deck at the Capitol Mall Parking Structure, re-coat the lot at the Ferry Street Parking Structure and various other projects.

**Salem Motor Pool Improvements:** \$1,366,366 Other Funds (Capital Projects Fund) is approved to replace major portions of the paved surface and install a new re-designed drainage system. Maintenance work will be performed on paved areas not replaced. The work is necessary due to the age of the surface and failures of the existing drainage system resulting in safety hazards and accelerated depreciation.

**Facilities Integrated Software System, phase 2:** \$1,000,000 Other Funds (Capital Projects Fund) is approved for the second phase of a system to assist with management of state facilities using best practices regarding planning and scheduling maintenance, monitoring effective use of utilities, and other important cost-management components.

**Planning:** \$250,000 Other Funds (Capital Projects Fund) is approved to contract with various architects, engineers and other specialists. Developing feasibility analyses and reliable cost information; preparing preliminary design for small to medium-sized projects; and evaluating options to solve maintenance problems are ongoing parts of the department's responsibilities.

**Department of Revenue Building HVAC System Chiller Replacement:** \$1,000,000 Other Funds (Capital Projects Fund) is approved to replace the HVAC system chiller at the Department of Revenue Building. The current chiller is near the end of its useful life and requires a type of coolant that is no longer allowed by code. In addition the space has experienced significant reconfiguration so that refurbishing the existing system will not be efficient long term.

The Subcommittee also approved the extension of the project expiration date and expenditure limitation for the Revenue Building Reseal project.

Department of Veterans' Affairs

**Lebanon Veterans' Home:** \$300,000 Other Funds (Linn County) is approved for design work on the second state veterans home. Funds for the design will be provided by Linn County. The county will provide the required 35 percent match to qualify for federal funds that will be used to complete construction

**Roseburg Veterans Home:** A \$1 Other Funds (Lottery Bonds) limitation is approved to construct a third veterans home in Roseburg. Initial planning is for construction to begin in 2013 on a 150-bed facility with a cost of approximately \$30 million. Debt service will be paid with Lottery Funds.

Department of Transportation

**DMV Portland Drive Center:** \$1 Other Funds (fee revenue) is approved for a project to remodel and make facility improvements at the Portland Drive Test Center. The building was constructed over 20 years ago and is in need of upgrades to accommodate the increase in customer usage. The parking lot design is unsafe for vehicle flow, pedestrians, commercial driver and motorcycle testing. Additionally, the asphalt is cracking and deteriorating. The Department plans to fund this package with proceeds from the sale of the property that formerly served as a DMV office in Beaverton. At this time, the office has not been sold. The one dollar of limitation is a placeholder so that limitation for the project may be reconsidered in the 2012 Session or a subsequent meeting of the Emergency Board after the sale of the Beaverton field office.

**Baker City Maintenance Station:** \$500,000 Other Funds (Highway Fund) was added to the \$6,100,000 project previously approved by the 2007 Legislative Assembly. This increase is necessary to provide final project expenditures related to construction of a needed maintenance facility, comprised of buildings and support infrastructure in Baker City. This increase in expenditure limitation will expire June 30, 2013.

Department of Aviation

**Chiloquin State Airport Runway/Apron Rehabilitation:** \$10,526 Other Funds (pilot registration fees) and \$200,000 Federal Funds (Federal Aviation Administration) is approved for a project to ultimately reconstruct the runway and rehabilitate the apron at Chiloquin State Airport. The most recent Pavement Condition Index survey indicated conditions do not meet manageable maintenance standards. The department will use authorized funding to conduct design engineering necessary to ascertain the full scope and cost of the project. Other Funds represent the required 5 percent match for this phase of the project.

Department of Fish and Wildlife

**Ruby Pipeline Mitigation:** \$2,000,000 Other Funds (mitigation settlement) is approved to acquire real property for wildlife habitat. As part of the Ruby Pipeline Mitigation agreement, Department of Fish and Wildlife (ODFW) was provided \$2,000,000 to acquire real property for wildlife habitat. Acquisition of real property that provides wildlife habitat and public access to fish and wildlife in southeast Oregon is a part of the contract with Ruby Pipeline LLC to partially mitigate impacts to fish and wildlife habitat due to construction of their pipeline. ODFW has received these funds from Ruby Pipeline LLC. The funding is expected to be adequate to acquire up to 1,070 acres of upland and riparian habitat in southeast Oregon.

**Sandy Hatchery Fish Passage:** \$3,700,000 Other Funds (City of Portland) is approved to provide fish passage around the Sandy Hatchery dam to ensure compliance with state and federal laws. The passage will restore anadromous fish to their historical range. Funding is from the City of Portland. The City sought and received a fish passage waiver from ODFW for their water diversion facilities on the Bull Run River. This waiver required the City to fund fish passage improvements to the Sandy River Hatchery.

**Rock Creek Hatchery Fish Passage:** \$1,500,000 Other Funds (fishing license revenue) is approved to improve fish passage to Rock Creek, a major tributary of the North Umpqua River. In 1949, a diversion dam and intake facility was constructed at the Rock Creek Fish Hatchery to supply water for the hatchery. A fish ladder constructed at the dam is a partial barrier to salmon, steelhead and trout habitat at certain flows and needs to be improved. Due to design changes and time constraints, the project has been forced into a second in-water work period, resulting in the cost of the project increasing.

**Headquarters Building:** \$16,000,000 Other Funds (Article XI-Q bonds) is approved to purchase and renovate property for its Salem headquarters building. In 2002, ODFW moved its headquarters from Portland to a leased building in Salem pursuant to Senate Bill 50 (Oregon Laws 2001, Chapter 989). The lease of the ODFW headquarters building ends on August 31, 2013. Purchasing a building to serve as Headquarters will save ODFW money in the long term. Lease payments will increase over time, while owning and renovating their own facility at the approved spending level provides a fixed cost for the term of the financing plus 100 percent equity in the building at the end of the bond period. Proceeds from the sale of Article XI-Q bonds will provide initial funding. Debt service will be paid with Other Fund revenues including hunting and fishing license and tag fees.

Department of Forestry

***Gilchrist Forest Land Acquisition:*** \$1,983,256 Other Funds (Lottery Bonds) is approved to purchase a 5,816-acre tract to expand the Gilchrist State Forest. Expenditure limitation for this purchase was added to the existing expenditure limitation for a similar project approved by the 2009 Legislative Assembly. This increase in expenditure limitation will expire June 30, 2015. Debt service will be paid with Lottery Funds.

Oregon Military Department

***The Dalles Readiness Center:*** \$4,011,273 Other Funds (Article XI-Q Bonds) and \$12,980,000 Federal Funds (National Guard Bureau) is approved for the continuing design and construction of a new readiness center. The facility is being planned to allow partnership opportunities with Columbia Gorge Community College.

***Christmas Valley site acquisition:*** \$680,000 Other Funds (Developer Fees) is approved to acquire 2,296 acres as a training area for the development of a utility-scale solar project and a training site.

The Subcommittee approved the extension of the project expiration dates and expenditure limitations for the following projects: The Dalles Readiness Center – design: extended to June 30, 2015; Christmas Valley – solar array panels, Camp Rilea – waste water treatment plant, Camp Withycombe – infrastructure upgrades, Boardman Multipurpose Training Range (formerly the “Boardman Bombing Range”), and the Washington County Readiness Center (formerly the “Hillsboro Readiness Center”): extended to June 30, 2013.

The subcommittee approved the sale proposal from the Oregon Military Department, as required by ORS 396.515 (4), for the sale of: 1) Oregon City Armory, 2) Lake Oswego Armory, and 3) Tigard Armory and Field Maintenance Shop.

Oregon University System

House Bill 5006 provides appropriations and expenditure limitations for capital construction projects for the seven universities operated by the Oregon University System: Eastern Oregon University (EOU), the Oregon Institute of Technology (OIT), Oregon State University (OSU), Portland State University (PSU), Southern Oregon University (SOU), the University of Oregon (UO), and Western Oregon University (WOU). Approval of bonding amounts is included in House Bill 5005.

The Subcommittee approved a budget of \$264.6 million Other Funds for 23 new projects and reserves.

***System-wide projects***

The Subcommittee approved the following two system-wide projects totaling \$55 million total funds.

- Capital renewal, code compliance, and safety: approved \$25,000,000 Other Funds (Lottery Bonds) and \$10,000,000 Other Funds (Other Revenues) to maintain facilities throughout the Oregon University System and keep the deferred maintenance backlog from growing. These projects do not involve acquisition of buildings, structures, or land. Debt service will be paid with Lottery Funds. Sources of Other Revenues include gifts, grants, and other sources.

- Miscellaneous Student Building Fee projects: approved \$20,000,000 Other Funds (Other Revenues) for small planning, code compliance, acquisition, additions, remodels, and other projects. Student building fees constitute the source for the Other Revenues.

***Eastern Oregon University***

The Subcommittee approved the following project for EOU:

- Quinn Coliseum: approved \$13,179,000 Other Funds (Lottery Bonds) for deferred maintenance and seismic upgrades. Debt service will be paid with Lottery Funds

***Oregon Institute of Technology***

The Subcommittee approved the following two projects totaling \$33.5 million total funds for the OIT:

- Portland Campus Consolidation: approved \$20,000,000 Other Funds (Lottery bonds) and \$10,000,000 Other Funds (Other Revenues) to purchase and renovate the former InFocus building in Wilsonville. Debt service will be paid with Lottery Funds. Other Revenues will consist of gifts and proceeds from the sale of OIT's interest in a building co-owned with Clackamas Community College.
- Geothermal demonstration project: approved \$3,500,000 Other Funds (Other Revenues) to increase funding for a \$6.6 million project approved in the 2009 legislative session. The additional funding will allow OIT to increase power production from its geothermal wells by 23 percent, generating approximately 74 percent of electrical power needs for the Klamath Falls campus. Other Revenues for the expanded project scope will be from Business Energy Tax Credits and an Oregon Energy Trust incentive payment.

***Oregon State University***

The Subcommittee approved the following eight projects, totaling \$97.8 million total funds for OSU:

- New Business Education Building: approved \$24,100,000 Other Funds (Lottery Bonds) and \$31,900,000 Other Funds (Other Revenues) for construction of a new academic building for the College of Education. Debt service will be paid with Lottery Funds. The source of Other Revenues is gift funds.
- Cascades Campus Graduate Studies Facility: approved \$2,000,000 Other Funds (Lottery Bonds) and \$3,000,000 Other Funds (Other Revenues) to purchase a 28,059 square foot office building in Bend that will be converted into academic space. Debt service will be paid with Lottery Funds. The source of the other funds is a donation and institutional resources.
- Strand Hall Deferred Maintenance: \$4,847,000 Other Funds (Article XI-Q bonds) for deferred maintenance and seismic upgrades. This project was authorized in the 2009-11 biennium with Certificates of Participation (COP) funding. Since the project did not proceed in 2009-11, the project is being reauthorized with Article XI-Q bonds. The COP expenditure limitation was eliminated. Debt service on the bonds will be paid with General Fund.

## Oregon Department of Fish and Wildlife

- Bookstore Relocation: approved \$12,000,000 Other Funds (Other Revenues) to relocate the OSU Bookstore to a new location as a consequence of the Memorial Union Renovation. The project will be funded with donated funds.
- University Housing and Dining Upgrades: approved \$8,000,000 Other Funds (Other Revenues) to upgrade dining facilities in Poling Hall, Cauthorn Hall, and Cooperative House. The project will be funded with housing and dining revenues.
- Animal Sciences Teaching Pavilion Telecommunications Equipment: approved \$2,000,000 Other Funds (Other Revenues) to add space for west campus telecommunications switchgear. The project will be funded with grants and donations.
- Cross Country Track Expansion: approved \$1,000,000 Other Funds (Article XI-F (1) bonds) and \$3,000,000 Other Funds (Other Revenues) to add a grandstand and space for field events to the Cross Country Track project approved in 2007. The project will be funded with grants and donations. Debt service and Other Revenues are paid with athletics revenues, gifts, and donations.
- Education Hall Deferred Maintenance: approved \$6,000,000 Other Funds (Other Revenues) to include renovation of interior space to a deferred maintenance project originally approved in 2005. The project will be funded with donations.

### ***Portland State University***

The Subcommittee approved the following two projects, totaling \$7 million total funds for PSU:

- Blumel Residence Hall Domestic Water Line Replacement: approved \$7,000,000 Other Funds (Article XI-F (1) bonds) to replace a failing water line and associated systems. Debt service will be paid with housing and dining revenues.
- City Tower building purchase: approved \$1 Other Funds (Article XI-F (1) bonds) for purchase of a seven story building from the City of Portland that will be leased back to the city and/or used for university purposes. The bond bill includes \$25 million in Article XI-F (1) bond debt capacity for this project. To proceed, the university will need to obtain approval from the Legislative Assembly or the Emergency Board of an increase in expenditure limitation. Debt service would be paid with rental receipts, tuition and fee revenues, and indirect cost recovery from research grants. This project was authorized in the 2009-11 biennium with Certificates of Participation funding, due to restrictions in Article XI-F (1) of the Oregon Constitution on purchasing buildings. Since the project did not proceed in 2009-11 and since Ballot Measure 69 (2010) eliminated the constitutional limitation on building purchases, the project is being reauthorized with Article XI-F (1) bonds.

### ***Southern Oregon University***

The Subcommittee approved the following project for SOU:
