Subject: Calapooya Fall Chinook and Gardiner Reedsport Winchester Bay STEP Fall Chinook Propagation Proposals

The Salmon and Trout Enhancement Program (STEP) Advisory Committee (STAC) has had the opportunity to review the two STEP propagation proposals (renewals) for projects in the Calapooya Fall Chinook and Gardiner Reedsport Winchester Bay STEP Fall Chinook programs on July 20<sup>th</sup> at our STAC meeting held in Klamath Falls.

The proposals were presented by Laura Jackson, STEP Bio for the Umpqua Districts and public testimony was submitted by interested individuals.

STAC is pleased to recommend approval of the Calapooya Fall Chinook and also the Gardiner Reedsport Winchester Bay STEP Fall Chinook Propagation proposals and express their support of both ODFW and the propagation proposal review process.

Thank you for your consideration of our comments.

Sincerely,  
Armand Pena, Chair  
Salmon Trout Advisory Committee
