Roger Borine	Hunter Representative	yes

**Disposition of Vote:** 7-Yes 0-No

**Project Strengths:**

- Very good project for maintaining hunting and fishing access to this private timberland.
- Helps timberland owners with public use problems.
- Maintains a strong relationship between landowners, hunters and fishers, ODFW and OSP.
- Good use of A&H and R&E program funding to benefit both hunters and fishers on this private land.
- Good program to educate user public about the “privilege” of access to this private land and the user public’s responsibility to maintain that “privilege” by ethical behavior and the rules to be followed when recreating on the private property.

**Disposition of Vote:** 5:0; Motion Passed

#### **Project Strengths:**

- Offers enforcement help to a landowner that allows access to 591,000 acres.
- Gives the A&H board an opportunity to partner with the R&E board on a joint project.
- Expand road closures for wintering areas.

#### **Project Concerns:**

- Gates & Motion cameras should be bought with funds other than Access & Habitat.
- Road relocation is too expensive.

Fred Hellbusch	Hunter Representative	Yes
Ramey Mosman	Hunter Representative	Yes

**Disposition of Vote: 6:0**

**Project Strengths:**

- The project opens up 640 acres of private land on Steens Mountain to hunting
- Land borders Fish Lake recreation area
- Camping is allowed on area. Forty acres around Pate Lake are maintained for public camping through a BLM easement.
- Project offers good hunting for mule deer, antelope, sage grouse and some elk
- Fence will improve habitat by eliminating livestock trespass and over utilization

**Project Concerns:**

- Regional Council recommend the landowner to maintain his own fence
- Domestic sheep graze the property for one week throughout the grazing season

**Disposition of Vote:** Motion Passed; 7-0

**Project Strengths:**

Large area open to hunt, full waterfowl season, high quality hunting, chance to bag an Aleutian goose, damage prevention.

**Project Concerns:**

None

**Council Member Comments:**

- Council would like to know total hunter participation and waterfowl harvest for past 2 years.
- Have any public objected to hunting of Aleutians? (Yes, Gold Beach office received 1 phone call)
- How is money distributed between landowners? (Pro-rated by acreage owned)
- What will we do when cost of fertilizer becomes prohibitive? ( We don't know)
