GAME MAMMAL AND GAME BIRD
CONTROLLED HUNT REGULATIONS

635-060-0046**Lost Tags and Tag Exchanges**

(1) A fee of \$5.00 and a \$1.50 license agent fee is charged to replace or exchange a tag or permit. Duplicates and exchanges may be obtained only through the Salem headquarters, regional offices of the department, and designated district offices. Exception: Replacement controlled hunt tags or permits will be issued at no charge only through the Salem headquarters or regional office of the department if the department determines that the person never received the original controlled tag or permit mailed from the Salem headquarters office.

(2) A Controlled Buck Deer Tag or Controlled Elk Tag may be exchanged for a general season tag before the opening date of the season for which either tag is valid.

(3) No controlled hunt tag shall be exchanged for another controlled hunt tag, except as described in 635-060-0008 (5) and 635-075-0015 (3).

(4) A Controlled Antlerless Deer Tag shall not be exchanged.

(5) In the event of the death of a successful controlled hunt applicant before the start of the season for which the tag or permit was issued, the tags of the deceased may be issued to a family member as defined by OAR 635-045-0002. Tag or permit transfer shall require a copy of the death certificate and the original controlled hunt tag or permit, and must be requested by the legal heir to the deceased which shall be presumed by possession of the tag or permit and death certificate.

(6) A “leftover” controlled hunt tag may only be exchanged for a general season tag, but only if the person does not already possess a tag authorized by OAR 635-065-0015 (4) (a), (b) or (c) or OAR 635-0065-0015 (5) (a), (b), (c), (d), (e), (f), or (g).

(7) The Commission shall accommodate Oregon residents who have lost preference points because of being called to active military service after June 1, 2002.

(a) The Commission shall accommodate the following individuals called to service at any location:
Oregon National Guard.

(b) The Commission shall accommodate the following Oregon residents with military operational commitments: regular members of the United States Armed Forces (Army, Navy, Air Force, Marines, Coast Guard), members of the United States military reserves, and members of the National Guard.

(c) The Commission authorizes the Director to make such accommodations by:

(A) Reinstating preference points existing for a series, plus an additional point for participating in the draw.

(B) Reinstating preference points lost after two consecutive years of not applying for a controlled hunt in that series.

(d) Individuals seeking accommodation pursuant to this rule (or immediate family members acting on their behalf) must make a request in writing or in person to the Salem headquarters office. Each request must include a letter from a supervising officer on official unit letterhead verifying operational commitments.

(8)(a) The Director may reinstate the preference points of a person who the Director determines did not or will not participate in a controlled hunt because of:

(A) Circumstances beyond the person's control; or

(B) Tragic personal circumstances.

(b) "Tragic personal circumstances" means:

(A) Death or life-threatening injury or illness in the person's immediate family; or

(B) The person's own serious injury or illness, which results in the person's hospitalization. The person need not be hospitalized during the hunt; this rule also applies if preparation for surgery or recovery after hospitalization renders the person incapable of participating in the hunt.

(c) To apply for reinstatement, the person must provide a sworn affidavit providing adequate details and must return the unused tag if it was purchased or a signed affidavit stating the tag was not used. When relying upon tragic personal circumstances, the person must also provide a sworn affidavit by a physician. When relying upon circumstances beyond the person's control, the person must also provide documentation of the circumstances (such as an accident report or affidavit from an employer).

(d) “Circumstances beyond the person’s control” excludes complaints about the quality of a hunt (including, but not limited to, road closures, inclement weather and work being conducted in the hunt area).

(e) If the Director decides that the person does not qualify for reinstatement, the person may appeal that decision to the Oregon Fish and Wildlife Commission (Commission). The Commission must review the Director’s decision within 60 days after receipt of appeal. The Commission will not take verbal testimony from the person, and the Commission’s decision is final.

(f) If the Director or Commission reinstates a person’s preference point under this subsection, the person is not awarded a new point for being classified as “unsuccessful” and is not entitled to a refund of license or tag fees.

DIVISION 075

LANDOWNER HUNTING PREFERENCE AND OUTFITTERS AND GUIDES TAG ALLOCATION

635-075-0005

Registration, Application and Tag Issuance Procedures and Limits for All Controlled Hunts

(1) A landowner shall submit a landowner preference registration form to be eligible for a landowner preference tag. A landowner can have only one registration form on file with the department. The registration form is an affidavit certifying ownership, number of acres owned, the county and Wildlife Management Unit where the property is located. This registration form registers the individual and remains valid until the individual registered no longer qualifies as a landowner as defined under OAR 635-045-0002, writes to the department requesting the registration form be deleted, or the department notifies the landowner that a renewal is required.

(2) In addition to having a landowner preference registration form on file with the department, a landowner shall submit a tag distribution form annually. The tag distribution form shall list the names of the landowner, stockholder(s), partner(s), and their immediate family members to receive tags for pronghorn antelope, and the names of the landowner, stockholder(s), partner(s), their immediate family members, and those persons of the landowners' choosing to receive landowner preference tags for deer and elk.

(3) Landowners shall submit registration forms and tag distribution forms prior to September 15 for all controlled 100 series buck deer and bull elk hunts, and through the day prior to the season openings for 600 series antlerless deer, antlerless elk, and doe/fawn pronghorn antelope hunts.

(4) Registration forms and tag distribution forms are available at no charge in any office of the department.

(5) Registration forms, tag distribution forms, and applications shall be received at the Salem headquarters office of the department prior to issuance of any landowner preference tag, except as provided for in OAR 635-075-0007. Landowners are not required to submit proof of ownership with their registration form. Landowners shall be required to submit proof of ownership at the request of the department or the Oregon State Police acting on behalf of the department.

(6) A landowner, stockholder(s), partner(s), and immediate family and those persons of the landowners' choosing wishing to also apply for controlled hunt tags shall apply by the May 15 controlled hunt deadline. Listing a hunt choice other than a landowner preference choice is not required.

(7) Everyone shall follow controlled hunt application procedures and regulations as described in OAR Division 060.

(8) The number of landowner preference tags issued is based upon a landowner's acreage. Landowner Preference tags shall be allocated by the following minimum acreage requirements:

TAGS	MINIMUM ACREAGE	HUNT TYPE
2	40	all hunts except eastern Oregon buck deer, eastern Oregon bull elk, either-sex elk, and doe/fawn pronghorn antelope hunts
2	160	all hunts
3	1,200	all hunts
4	2,500	all hunts
5	5,000	all hunts
6	10,000	all hunts

8	20,000	all hunts
10	40,000	all hunts
12	80,000	all hunts
14	160,000 and greater	all hunts

(9) Landowner preference tags for the hunting of deer or elk may be issued to any person of the landowner's choosing, and shall be used for the taking of antlerless animals except as described in OAR 635-075-0005 (8). Season dates of the transferred landowner preference tags shall be the same dates as the original tag.

(10) Landowner preference tags for the hunting of antlered deer or elk that are issued to a person of the landowner's choosing who is not a member of the landowner's, partner's, or stockholder's immediate family may be used to take an antlered animal only as follows:

(a) If the landowner is eligible for two, three, or four preference tags, one of those tags may be so used.

(b) If the landowner is eligible for five, six or seven preference tags, two of those tags may be so used.

(c) If the landowner is eligible for eight, nine or 10 preference tags, three of those tags may be so used.

(d) If the landowner is eligible for 11 or 12 preference tags, four of those tags may be so used.

(e) If the landowner is eligible for 13 or 14 preference tags, five of those tags may be so used.

(11) A landowner who is qualified to receive landowner hunting preference tags may request two additional tags for providing public access and/or two additional tags for wildlife habitat programs. This request shall be made to the Access and Habitat Board with supporting evidence that the access is significant and the habitat programs benefit wildlife. The board may recommend that the commission grant the request. These tags may not be applied to the options as defined in OAR 635-075-0005(8).

(12) No one shall receive both a controlled hunt tag and a landowner preference tag for the same type of hunt. Landowner hunting preference tags shall not be issued to any person successful in the controlled hunt drawing for the same type of hunt.

(13) Landowner preference tags, except as described in OAR 635-075-0007, OAR 635-075-0010, and OAR 635-075-0015 shall only be issued from the headquarters office of the department following the controlled hunt drawings.
