

**DIVISION 048**

**HUNTER EDUCATION**

**635-048-0080**

**Master Hunter Program**

The department will administer a voluntary program for hunters which will include but is not limited to instruction on hunting ethics, wildlife management, firearms safety and landowner relations. The department may require completion of this program as a prerequisite for participating in certain controlled hunts. **If a Master Hunter is convicted of, or pleads guilty to, a violation of the wildlife laws, the Department will suspend the person from the Master Hunter program for a period of five years.**
