

Agenda Item Summary

BACKGROUND

The Oregon Fisheries Restoration and Enhancement Act, adopted in 1989 and re-authorized through 2019, directed the Oregon Department of Fish and Wildlife (department) to restore Oregon’s fisheries. The program is funded from a surcharge on all sport fishing licenses and commercial salmon permit and poundage fees. A seven-member Restoration and Enhancement (R&E) Board (Board) reviews all projects and provides recommendations to the Oregon Fish and Wildlife Commission (Commission) for project funding.

The R&E Board recommended 34 projects for funding, totaling \$706,114 at their February 3rd and 4th, 2011 meeting in Salem.

This is the eighth cycle of proposals for the 2009-2011 biennium. If the Commission adopts the Board’s recommendations, \$5,597,155 of the \$5,600,000 estimated R&E program limitation for the 2009-2011 biennium will be allocated.

PUBLIC INVOLVEMENT

R&E Board meetings are open to the public and are “public meetings” under the Oregon Public Meetings laws. Notice of upcoming meetings is provided to interested persons, advertised in the R&E/STEP publication “FishWorks,” listed on the department website and distributed to statewide and local media.
