Fish Screening Task Force; qualifications of members; duties

(1) There is established within the State Department of Fish and Wildlife the Fish Screening Task Force consisting of seven members appointed by the State Fish and Wildlife Commission.

(2) Three members shall be appointed to represent agricultural interests, three shall be appointed to represent fishing or fish conservation interests and one member shall be appointed to represent the public. Members of the task force shall serve for two-year terms. No member of the task force shall serve for more than three consecutive two-year terms.

(3) A member of the task force shall receive no compensation for services as a member. However, subject to any applicable law regulating travel and other expenses of state officers and employees, a member shall be reimbursed for actual and necessary travel and other expenses incurred in the performance of official duties from such moneys as may be available therefor in the State Wildlife Fund.

(4) The task force shall meet at such times and places as may be determined by the chair or by a majority of the members of the task force.

(5) The duties of the task force are:

(a) To advise the department in the development of a comprehensive cost-sharing program for the installation of fish screening or by-pass devices in water diversions.

(b) To advise the department in establishing a stable and equitable funding system for the installation and maintenance of fish screening and by-pass devices.

(c) To advise the department in identifying sources and applying for grants from local, state and federal governmental agencies for funding the installation and maintenance of fish screening and by-pass devices.

(d) To advise the department in monitoring fish screening programs.

(e) To advise the department in a survey and study of fish screening technology to determine the most cost-effective alternatives for screening in the various situations that may be encountered in the implementation of fish screening in this state.

(f) To advise the department in preparing a report on the capital costs and effectiveness of the program provided in ORS.

(g) To advise the department on the creation of the priority criteria and the priority listing referred to in ORS 498.306 (Screening or by-pass devices for water diversions) (14)(a) or (d). [1991 c.858 §6; 1995 c.426 §3; 2005 c.22 §368; 2007 c.625 §5a]

Commission Policy on Advisory Bodies

The Commission shall, consistent with state law:

- (1) Consider appointment of minorities and women to fill vacancies so that advisory bodies are representative of the population served, to the extent possible.
- (2) Develop a system of staggered terms of office in order to maintain continuity.
- (3) Limit terms to four years, with no more than two consecutive terms to be served by any member, unless the Commission, for just cause, chooses to extend the number of said terms or term.
- (4) Direct advisory bodies to establish minimum frequency for meetings and to establish a minimum attendance required by advisory body members. The Commission shall be notified of advisory body members who fail to meet the minimum attendance and may, at their discretion, remove advisory body members who fail to meet the attendance requirement.
- (5) Notify advisory body members upon their appointment that they serve at the pleasure of the Commission.
