

## DIVISION 056

IMPORTATION, POSSESSION, CONFINEMENT, TRANSPORTATION AND  
SALE OF NONNATIVE WILDLIFE**635-056-0000****Purpose [and General Information]**

[(+)]-The purpose of these rules is to protect Oregon's native wildlife. These rules aim for this goal by regulating human actions involving nonnative wildlife (whether those actions involve trade in nonnative wildlife or involve interaction with nonnative species in the wild). The rules allow private use or ownership of nonnative species to the extent that they do not pose a significant risk of harm to native species.

Stat. Auth.: ORS 496.012, 496.138, 496.146, 497.298, 497.308, 497.312, 497.318, 498.022, 498.029, 498.052, 498.222 & 498.242

Stats. Implemented: ORS 496.012, 496.138, 496.146, 497.298, 497.308, 497.312, 497.318, 498.022, 498.029, 498.052, 498.222 & 498.242

**635-056-0002****Taxonomy**

(21) In the matter of scientific taxonomic nomenclature and common names the following are authoritative:

(a) Mammals -- Wilson, D. E. and D. M. Reeder, Editors. 2005. Mammal Species of the World. A Taxonomic and Geographic Reference. 3rd Edition. Johns Hopkins University Press

(b) Birds -- Clements, J.F. 2007. The Clements Checklist of Birds of the World, Sixth Edition. Cornell University, Ithaca, New York.

(c) Amphibians and Reptiles -- Frank, N. and E. Ramus. 1996. A Complete Guide to Scientific and Common Names of Reptiles and Amphibians of the World. N G Publishing, Pottsville, Pennsylvania.

(d) Fish (except subfamily Serrisalminae) – Nelson, J.S. et al. 2004. Common and Scientific Names of Fishes from the United States, Canada, and Mexico. 6th Edition. American Fisheries Society Special Publication 29. American Fisheries Society. Bethesda, Maryland; Robbins, C.L. et al. 1991. World Fishes Important to North Americans. Special Publication 21. American Fisheries Society. Bethesda, Maryland; Subfamily Serrisalminae: Reis, R.E., S. Kullander and C. Ferraris, Jr., Editors. 2003. Check List of the Freshwater Fishes of South and Central America. ERIDUCRS. Porto Alegre. Brazil.

18 **Prohibited Species**

19 (1) Except as otherwise provided in these rules or other rules of the commission, live wildlife listed  
20 below may not be imported, possessed, sold, purchased, exchanged or transported in the state:

21 (a) Prohibited Mammals: Common Name -- Family -- Genus/species:

22 (A) Order Artiodactyla:

23 (i) Sheep, Goats, Chamois, Tahr -- Bovidae -- Subfamily Caprinae; All species and hybrids except:

24 (I) *Capra hircus*;

25 (II) *Ovis aries*;

26 (III) hybrids of *Ovis aries* with *O. a. orientalis*; hybrids of *O. aries* with *Ammotragus lervia*; and  
27 hybrids of *O. aries* with *Pseudois nayaur*;

28 (ii) Wildebeest -- Bovidae -- *Connochaetes* All species and hybrids;

29 (iii) Central Asian gazelles -- Bovidae -- *Procapra* All species and hybrids;

30 (iv) Wild boar -- Suidae -- *Sus scrofa* (except *Sus scrofa domesticus*).

31 (B) Order Carnivora:

- 1 (i) Wild canids -- Canidae -- All native species. However, fox (*Vulpes vulpes* and *Urocyon*  
2 *cinereoargenteus*) are exempt from this prohibition if when part of a commercial fur farming operation  
3 or for wildlife rehabilitation purposes by a licensed wildlife rehabilitator;
- 4 (ii) Mongooses -- Herpestidae -- All species and hybrids;
- 5 (iii) North American Otter, Eastern subspecies -- Mustelidae -- *Lontra canadensis lataxina*  
6 (iv) Asian Small-clawed Otter -- Mustelidae -- *Lutrinae Aonyx cinerea*
- 7 (viii) Civets and Genets -- Viverridae -- All species and hybrids (except *Arctictis binturong*).
- 8 (C) Order Chiroptera
- 9 (i) Bats -- All families except Pteropodidae -- All species and hybrids.
- 10 (D) Order Cingulata:
- 11 (i) Nine-banded armadillo -- Dasypodidae -- *Dasypus novemcinctus*.
- 12 (E) Order Dasyuromorphia:
- 13 (i) Broad-footed marsupial mice -- Dasyuridae -- *Antechinus* All species and hybrids;
- 14 (ii) Brush-tailed marsupial mice -- Dasyuridae -- *Phascogale* All species and hybrids;
- 15 (iii) Dunnant -- Dasyuridae -- *Sminthopsis* All species and hybrids.
- 16 (F) Order Didelphimorphia:
- 17 (i) Virginia opossum -- Didelphidae -- *Didelphis virginiana*.
- 18 (G) Order Diprotodontia:
- 19 (i) Common brushtail -- Phalangeridae -- *Trichosurus vulpecula*;
- 20 (ii) Common ringtail -- Pseudocheiridae -- *Pseudocheirus peregrinus*.
- 21 (H) Order Erinaceomorpha:
- 22 (i) Eurasian hedgehogs -- Erinaceidae -- *Erinaceus europaeus*, *E. concolor*, *E. amurensis*.
- 23 (I) Order Lagomorpha:
- 24 (i) Hares and Jackrabbits -- Leporidae -- *Lepus* All nonnative species and hybrids;
- 25 (ii) Cottontails -- Leporidae -- *Sylvilagus* All nonnative species and hybrids.
- 26 (J) Order Rodentia:
- 27 (i) Argentine Plains viscacha -- Chinchillidae -- *Lagostomus maximus*;
- 28 (ii) Chinese jumping mouse -- Dipodidae -- *Eozapus setchuanus*;
- 29 (iii) Desert jerboas -- Dipodidae -- *Jaculus* All species and hybrids;
- 30 (iv) Kangaroo rats -- Heteromyidae -- *Dipodomys* All nonnative species except *D. deserti* and *D.*  
31 *spectabilis*;
- 32 (v) Pale kangaroo mouse -- Heteromyidae -- *Microdipodops pallidus*;
- 33 (vi) Pocket mice -- Heteromyidae -- *Perognathus* All nonnative species and hybrids;

- 1 (vii) Capybara -- Hydrochaeridae -- *Hydrochaeris hydrochaeris*;
- 2 (viii) Old world porcupines -- Hystricidae -- *Hystrix africae australis*, *H. cristata*, and *H. indica*;
- 3 (ix) Mouselike hamster -- Muridae -- *Calomyscus* All species and hybrids;
- 4 (x) Ratlike hamsters -- Muridae -- *Cricetulus* All species and hybrids;
- 5 (xi) Bushy-tailed jird -- Muridae -- *Sekeetamys calurus*;
- 6 (xii) Nutria (Coypu) -- Myocastoridae -- *Myocastor coypus*;
- 7 (xiii) Fat dormouse -- Myoxidae -- *Glis glis*;
- 8 (xiv) Hazel dormouse -- Myoxidae -- *Muscardinus avellanarius*;
- 9 (xv) Antelope ground squirrels -- Sciuridae -- *Ammospermophilus* All nonnative species and hybrids
- 10 except *A. harrisi*;
- 11 (xvi) Tricolored squirrels -- Sciuridae -- *Callosciurus* All species and hybrids except *C. prevostii*;
- 12 (xvii) Prairie dogs -- Sciuridae -- *Cynomys* All species and hybrids;
- 13 (xviii) Southern flying squirrel -- Sciuridae -- *Glaucomys volans*;
- 14 (xix) Marmots -- Sciuridae -- *Marmota* All nonnative species and hybrids;
- 15 (xx) Giant flying squirrel -- Sciuridae -- *Petaurista* All species and hybrids;
- 16 (xxi) Eastern gray squirrel -- Sciuridae -- *Sciurus carolinensis*;
- 17 (xxii) Eastern fox squirrel -- Sciuridae -- *Sciurus niger*;
- 18 (xxiii) Eurasian red squirrel -- Sciuridae -- *Sciurus vulgaris*;
- 19 (xxiv) Ground squirrels -- Sciuridae -- *Spermophilus* All nonnative species and hybrids except *S.*
- 20 *adocetus*, *S. annulatus*, *S. atricapillus*, *S. madrensis*, *S. mexicanus*, *S. mohavensis*, *S. perotensis*, and *S.*
- 21 *tereticaudus*;
- 22 (xxv) Chipmunks -- Sciuridae -- *Tamias* All nonnative species and hybrids;
- 23 (xxvi) African ground squirrels -- Sciuridae -- *Xerus* All species and hybrids.
- 24 (b) Prohibited Birds: Common Name -- Family -- Genus/species:
- 25 (A) Order Anseriformes:
- 26 (i) Egyptian goose -- Anatidae -- *Alopochen aegyptiaca*.
- 27 (B) Order Charadriiformes:
- 28 (i) Spotted thick-knee -- Burhinidae -- *Burhinus capensis*.
- 29 (C) Order Coraciiformes:
- 30 (i) Malachite kingfisher -- Alcedinidae -- *Alcedo cristata*;
- 31 (ii) Laughing kookaburra -- Alcedinidae -- *Dacelo novaeguineae*.
- 32 (D) Order Passeriformes:
- 33 (i) Yellowhammer -- Emberizidae -- *Emberiza citrinella*;

- 1 (ii) European greenfinch -- Fringillidae -- *Carduelis chloris*;
- 2 (iii) Chaffinch -- Fringillidae -- *Fringilla coelops*.
- 3 (c) Prohibited Amphibians: Common Name -- Family -- Genus/species:
- 4 (A) Order Caudata:
- 5 (i) Tiger salamander -- Ambystomatidae -- *Ambystoma tigrinum* All nonnative sub-species;
- 6 (ii) Amphiumas -- Amphiumidae -- All species and hybrids;
- 7 (iii) Giant salamanders and Hellbenders -- Cryptobranchidae -- All species and hybrids;
- 8 (iv) American giant salamanders -- Dicamptodontidae -- All nonnative species and hybrids;
- 9 (v) Asian salamanders -- Hynobiidae -- *Ranodon* All species and hybrids;
- 10 (vi) Shovel-nosed salamander -- Plethodontidae -- *Leurognathus marmoratus*;
- 11 (vii) Waterdogs -- Proteidae -- *Necturus* All species and hybrids;
- 12 (viii) Firebelly newts -- Salamandridae -- *Cynops* All species and hybrids;
- 13 (ix) European Mountain or Brook salamanders -- Salamandridae -- *Euproctus* All species and
- 14 hybrids;
- 15 (x) Caucasus or Spine-tailed salamanders -- Salamandridae -- *Mertensiella* All species and hybrids;
- 16 (xi) Red-spotted or Eastern newt -- Salamandridae -- *Notophthalmus viridescens*;
- 17 (xii) Chinese newts -- Salamandridae -- *Pachytriton* All species and hybrids;
- 18 (xiii) Warty newts -- Salamandridae -- *Paramesotriton* All species and hybrids;
- 19 (xiv) Ribbed newts -- Salamandridae -- *Pleurodeles* All species and hybrids;
- 20 (xv) Fire salamanders -- Salamandridae -- *Salamandra* All species and hybrids;
- 21 (xvi) Roughskin newts -- Salamandridae -- *Taricha rivularis* and *T. torosa*;
- 22 (xvii) Alpine newts -- Salamandridae -- *Triturus* All species and hybrids;
- 23 (xviii) Crocodile newts -- Salamandridae -- *Tylotriton* All species and hybrids;
- 24 (xix) Sirens -- Sirenidae -- All species and hybrids.
- 25 (B) Order Anura:
- 26 (i) Fire-bellied toads -- Bombinatoridae -- *Bombina* All species and hybrids;
- 27 (ii) True toads -- Bufonidae -- *Bufo* All nonnative species and hybrids except *Bufo marinus*;
- 28 (iii) Midwife toads -- Discoglossidae -- *Alytes* All species and hybrids;
- 29 (iv) Painted frogs -- Discoglossidae -- *Discoglossus* All species and hybrids;
- 30 (v) Cricket frog -- Hylidae -- *Acris* All species and hybrids;
- 31 (vi) European tree frog -- Hylidae -- *Hyla arborea*;
- 32 (vii) Cope's gray tree frog -- Hylidae -- *Hyla chrysoscelis*;
- 33 (viii) Green tree frog -- Hylidae -- *Hyla cinerea*;

- 1 (ix) Mediterranean tree frog -- Hylidae -- *Hyla meridionalis*;
- 2 (x) Gray tree frog -- Hylidae -- *Hyla versicolor*;
- 3 (xi) Chorus frog -- Hylidae -- *Pseudacris* All nonnative species and hybrids;
- 4 (xii) Australian froglets -- Myobatrachidae -- *Crinia* All species and hybrids;
- 5 (xiii) Australian swamp frogs — Myobatrachidae — *Limnodynastes* All species and hybrids;
- 6 (xiv) Barred frogs -- Myobatrachidae -- *Mixophyes* All species and hybrids;
- 7 (xv) Spadefoot toads -- Pelobatidae -- All nonnative species and hybrids;
- 8 (xvi) African clawed frog -- Pipidae -- *Xenopus* All species and hybrids;
- 9 (xvii) African bull frog -- Ranidae -- *Pyxicephalus* All species and hybrids;
- 10 (xviii) Siberian frog -- Ranidae -- *Rana altaica*;
- 11 (xix) Khabarovsk frog -- Ranidae -- *Rana amurensis*;
- 12 (xx) Crawfish frog -- Ranidae -- *Rana areolata*;
- 13 (xxi) Swedish swamp frog -- Ranidae -- *Rana arvalis*;
- 14 (xxii) Asian frog -- Ranidae -- *Rana asiatica*;
- 15 (xxiii) Rio Grande leopard frog -- Ranidae -- *Rana berlandieri*;
- 16 (xxiv) Plains leopard frog -- Ranidae -- *Rana blairi*;
- 17 (xxv) Caucasus frog -- Ranidae -- *Rana camerani*;
- 18 (xxvi) Inkiapo frog -- Ranidae -- *Rana chensinensis*;
- 19 (xxvii) Toudaohe frog -- Ranidae -- *Rana chevronta*;
- 20 (xxviii) Green frog -- Ranidae -- *Rana clamitans*;
- 21 (xxix) Spring frog -- Ranidae -- *Rana dalmatina*;
- 22 (xxx) Dybowski's frog -- Ranidae -- *Rana dybowskii*;
- 23 (xxxii) Stream frog -- Ranidae -- *Rana graeca*;
- 24 (xxxiii) Pig frog -- Ranidae -- *Rana grylio*;
- 25 (xxxiiii) River frog -- Ranidae -- *Rana heckscheri*;
- 26 (xxxv) Turkish frog -- Ranidae -- *Rana holtzi*;
- 27 (xxxvi) Iberian frog -- Ranidae -- *Rana iberica*;
- 28 (xxxvii) Agile frog -- Ranidae -- *Rana japonica*;
- 29 (xxxviii) Italian agile frog -- Ranidae -- *Rana latastei*;
- 30 (xxxix) Kokarit or Taipa frog -- Ranidae -- *Rana longicrus*;
- 31 (xl) Brusa frog -- Ranidae -- *Rana macrocnemis*;
- 32 (xli) Nikko frog -- Ranidae -- *Rana ornativentris*;
- 33 (xlii) Pickeral frog -- Ranidae -- *Rana palustris*;

- 1 (xlii) Mink frog -- Ranidae -- *Rana septentrionalis*;
- 2 (xliii) Wood frog -- Ranidae -- *Rana sylvatica*;
- 3 (xliv) Tago frog -- Ranidae -- *Rana tagoe*;
- 4 (xlv) European common frog -- Ranidae -- *Rana temporaria*;
- 5 (xlvi) Tsushima frog -- Ranidae -- *Rana tsushimensis*;
- 6 (xlvi) Carpenter frog -- Ranidae -- *Rana virgatipes*.
- 7 (d) Prohibited Reptiles: Common Name -- Family -- Genus/species:
- 8 (A) Order Testudines:
- 9 (i) Snapping turtle -- Chelydridae -- All species and hybrids;
- 10 (ii) Chinese pond turtle -- Emydidae -- *Chinemys* All species and hybrids;
- 11 (iii) Pond turtle -- Emydidae -- *Clemmys* All nonnative species;
- 12 (iv) Painted turtle -- Emydidae -- *Chrysemys* All nonnative sub-species;
- 13 (v) European pond turtle -- Emydidae -- *Emys orbicularis*;
- 14 (vi) Blanding's turtle -- Emydidae -- *Emydoidea blandingii*;
- 15 (vii) Map turtle -- Emydidae -- *Graptemys* All species and hybrids;
- 16 (viii) Asian pond turtle -- Emydidae -- *Mauremys* All species and hybrids;
- 17 (ix) Pond slider -- Emydidae -- *Pseudemys* and *Trachemys* All species and hybrids;
- 18 (x) Common musk turtle -- Kinosternidae -- *Kinosternon odoratum*;
- 19 (xi) Common mud turtle -- Kinosternidae -- *Kinosternon subrubrum*;
- 20 (xii) North American soft shell -- Trionychidae -- *Apalone* All species and hybrids;
- 21 (xiii) African soft shell -- Trionychidae -- *Trionyx triunguis*.
- 22 (B) Order Squamata (Suborder Lacertilia):
- 23 (i) Slow worm -- Anguidae -- *Anguis fragilis*;
- 24 **(ii) Armored Glass lizard -- Anguidae -- *Ophisaurus apodus***
- 25 (iii) Sand lizard -- Lacertidae -- *Lacerta agilis*;
- 26 **(iv)** Jewelled lizard -- Lacertidae -- *Lacerta lepida*;
- 27 **(v)** Iberian Mountain lizard -- Lacertidae -- *Lacerta monticola*;
- 28 **(vi)** Meadow lizard -- Lacertidae -- *Lacerta praticola*;
- 29 **(vii)** Iberian Emerald lizard -- Lacertidae -- *Lacerta schreiberi*;
- 30 **(viii)** Balkan Emerald lizard -- Lacertidae -- *Lacerta trilineata*;
- 31 **(viii)** Emerald lizard -- Lacertidae -- *Lacerta viridis*;
- 32 **(ix)** Viviparous lizard -- Lacertidae -- *Lacerta vivipara*;
- 33 **(xi)** Erhard's Wall lizard -- Lacertidae -- *Podarcis erhardi*;

- 1 (xii) Iberian Wall lizard -- Lacertidae -- *Podarcis hispanica*;
- 2 (xiii) Common Wall lizard -- Lacertidae -- *Podarcis muralis*;
- 3 (xiv<sup>ii</sup>) Crocodile lizard -- Xenosauridae -- *Shinisaurus crocodilurus*.
- 4 (C) Order Squamata (Suborder Serpentes):
- 5 (i) Brown tree snake -- Colubridae -- *Boiga irregularis*;
- 6 (ii) Black-necked spitting cobra -- Elapidae -- *Naja nigricollis*;
- 7 (iii) Cape cobra -- Elapidae -- *Naja nivea*;
- 8 (iv) Copperheads and cottonmouths -- Viperidae -- *Agkistrodon* All species and hybrids;
- 9 (v) Puff adders -- Viperidae -- *Bitis* All species and hybrids except *Bitis gabonica* and *B. nasicornis*;
- 10 (vi) Lanceheads -- Viperidae -- *Bothrops* All species and hybrids;
- 11 (vii) Palm pit vipers -- Viperidae -- *Bothriechis* All species and hybrids;
- 12 (viii) Rattlesnakes -- Viperidae -- All nonnative species and hybrids except *Crotalus aquilus*, *C.*
- 13 *basiliscus*, *C. durissus*, *C. intermedius*, *C. polystictus*, *C. pusillus*, *C. tortugensis*, *C. triseriatus*, *C.*
- 14 *unicolor*, and *C. vegrandis*;
- 15 (ix) Mid-east vipers -- Viperidae -- *Daboia* All species and hybrids;
- 16 (x) Pygmy rattlesnake -- Viperidae -- *Sistrurus catenatus*;
- 17 (xi) Asian pit vipers -- Viperidae -- *Trimeresurus* All species and hybrids;
- 18 (xii) Wagler's palm viper -- Viperidae -- *Tropidolaemus wagleri*;
- 19 (xiii) Sand vipers -- Viperidae -- *Vipera* All species and hybrids.
- 20 (e) Prohibited Fish: Common Name -- Family -- Genus/species:
- 21 (A) Order Amiiiformes:
- 22 (i) Bowfin -- Amiidae -- *Amia calva*.
- 23 (B) Order Cypriniformes:
- 24 (i) Piranha or Caribe -- Characidae subfamily Serrasalminae commonly known as caribe or piranha –
- 25 All species and hybrids except carnivorous species of *Pygocentrus*, *Serrasalmus* or *Pristobrycon* pursuant
- 26 to ORS 498.242;
- 27 (ii) Walking catfish (ORS 498.242) -- Clariidae -- All species and hybrids;
- 28 (iii) Oriental weatherfish -- Cobitidae -- *Misgurnus anguillicaudatus*;
- 29 (iv) Ide -- Cyprinidae -- *Leuciscus idus*;
- 30 (v) Rudd -- Cyprinidae -- *Scardinius erythrophthalmus*.
- 31 (vi) Asian carp-- Cyprinidae --*Hypophthalmichthys* All species and hybrids;
- 32 (vii) Black carp – Cyprinidae – *Mylopharyngodon piceus*
- 33 (C) Order Lepisosteiformes:

- 1 (i) Gar -- Lepisosteidae -- All species and hybrids.
- 2 (D) Order Perciformes:
- 3 (i) Snakehead -- Channidae -- *Channa* All species and hybrids;
- 4 (ii) Round goby -- Gobiidae -- *Neogobius melanostomus*;
- 5 (iii) Ruffe -- Percidae -- *Gymnocephalus cernuus*;
- 6 (iv) Zander or Pike-perch -- Percidae -- *Sander lucioperca*.
- 7 (E) Order Salmoniformes:
- 8 (i) Pikes, Pickerel, Muskellunge -- Esocidae -- All species and hybrids except tiger muskellunge (*Esox*
- 9 *lucius X Esox masquinongy*) in Phillips Reservoir located in Baker County
- 10 (f) Prohibited Mollusks Common Name -- Family -- Genus/species:
- 11 (A) Order Bivalvia:
- 12 (i) Asian clam -- Corbiculidae -- All species;
- 13 (ii) Zebra mussel, Quagga mussel -- *Dreissenidae* -- All species (whether live or dead).
- 14 (B) Order Neogastropoda:
- 15 (i) Japanese oyster drill -- Muricidae -- *Ceratostoma inornatum*.
- 16 (C) Order Architaenioglosso:
- 17 (i) Chinese mystery snail -- Viviparidae -- *Cipangopaludina chinensis*
- 18 (ii) Japanese mystery snail -- Viviparidae -- *Cipangopaludina japonica*
- 19 (g) Prohibited Crustaceans Common Name -- Family -- Genus/species:
- 20 (A) Order Decapoda:
- 21 (i) Chinese mitten crab -- Grapsidae -- *Eriocheir* All species;
- 22 (ii) Blue crab -- Portunidae -- *Callinectes sapidus*;
- 23 (iii) Crayfish -- Cambaridae -- All species.
- 24 (2) The department may issue a permit for the importation, possession, sale, purchase, exchange or
- 25 intrastate transportation of prohibited species and those species not yet classified if the department finds
- 26 that the following standards have been met:
- 27 (a) The facility is constructed to minimize escape of prohibited species;
- 28 (b) There are adequate security and safety programs and procedures which minimize the possibility of
- 29 escape;
- 30 (c) There is adequate record keeping to aid in tracking of confined animals or recovery of escaped
- 31 animals;
- 32 (d) There are adequate procedures, equipment and trained staff to maximize capture of escaped
- 33 animals;

- 1 (e) Adequate veterinary care is provided to identify and minimize the spread of diseases; and
- 2 (f) The applicant has a good reputation for care of animals and compliance with the wildlife laws.
- 3 (g) Using forms provided by the department, persons or entities may apply for a permit under

4 subsection (2) as follows:

5 (A) Facilities accredited by the American Zoo and Aquarium Association (AZA). Because the  
6 department finds that the current AZA accreditation process holds these facilities to standards equivalent  
7 to those in subsection (2), AZA accreditation shall be evidence that the department's standards for  
8 importation, possession, sale, purchase, exchange or intrastate transportation of prohibited species are  
9 met. To obtain a permit for these activities, AZA accredited facilities shall submit a completed  
10 application form and proof of accreditation.

11 (B) Universities and colleges. To obtain a permit, universities and colleges shall submit:

- 12 (i) A completed application form;
- 13 (ii) A written description of escape avoidance procedures and facilities; and
- 14 (iii) Identification of the time period(s) during which prohibited species will be held.

15 (C) Others. To apply for a permit, persons and entities other than universities, colleges and AZA  
16 accredited facilities shall submit:

- 17 (i) A completed application form; and
- 18 (ii) A completed Prohibited Species Questionnaire.
- 19 (h) Satisfactory facilities inspections may be required prior to issuance of any permit.

21 498.052, 498.222 & 498.242

22 Stats. Implemented: ORS 496.012, 496.138, 496.146, 497.298, 497.308, 497.312, 497.318, 498.022,  
23 498.029, 498.052, 498.222 & 498.242

24  
25 **635-056-0060**

26 **Noncontrolled Species**

27 Except as otherwise provided in these rules or other rules of the commission, wildlife listed below  
28 may be imported, possessed, sold, purchased, exchanged or transported in the state without a permit:

29 (1) Noncontrolled Mammals: Common Name -- Family -- Genus/species:

30 (a) Order Artiodactyla:

31 (A) Antelope and buffalo-- Bovidae -- All species except subfamily Caprinae and *Procapra* species;

32 (B) Giraffe and okapi -- Giraffidae -- All species;

33 (C) Pygmy hippopotamus -- Hippopotamidae -- *Hexaprotodon liberiensis*;

- 1 (D) Hippopotamus -- Hippopotamidae -- *Hippopotamus amphibius*;
- 2 (E) Peccary -- Tayassuidae -- All species;
- 3 (F) Chevrotains -- Tragulidae -- All species.
- 4 (b) Order Carnivora:
- 5 (A) Aardwolf -- Hyaenidae -- *Proteles cristatus*;
- 6 (B) Seals and sea lions -- Otariidae -- All nonnative species.
- 7 (C) Red/Lesser Panda -- Procyonidae -- *Ailurus fulgens*;
- 8 (D) Olingos -- Procyonidae -- *Bassaricyon* All species;
- 9 (E) Coatimundis -- Procyonidae -- *Nasua* All species;
- 10 (F) Kinkajou -- Procyonidae -- *Potos flavus*;
- 11 (G) Binturong -- Viverridae -- *Arctictis binturong*.
- 12 (c) Order Cetacea: Whales and dolphins -- All families -- All species.
- 13 (d) Order Chiroptera:
- 14 (A) Old World fruit bats -- Pteropodidae -- All species.
- 15 (e) Order Dasyuromorphia:
- 16 (A) Numbat -- Myrmecobiidae -- *Myrmecobius fasciatus*.
- 17 (f) Order Dermoptera:
- 18 (A) Flying lemurs or colugos -- Cynocephalidae -- All species.
- 19 (g) Order Didelphimorphia:
- 20 (A) Short-tailed opossums -- Didelphinae -- *Monodelphis* All species.
- 21 (h) Order Diprotodontia:
- 22 (A) Feathertail glider -- Acrobatidae -- *Acrobates pygmaeus*;
- 23 (B) Kangaroos and wallabies -- Macropodidae -- All species;
- 24 (C) Striped possums -- Petauridae -- *Dactylopsila* All species;
- 25 (D) Sugar glider -- Petauridae -- *Petaurus breviceps*;
- 26 (E) Cuscuses -- Phalangeridae -- *Phalanger* All species.
- 27 (i) Order Erinaceomorpha:
- 28 (A) Four-toed hedgehog -- Erinaceidae -- *Atelerix albiventris*.
- 29 (j) Order Hyracoidea:
- 30 (A) Hyraxes -- Procaviidae -- All species.
- 31 (k) Order Monotremata:
- 32 (A) Echidnas -- Tachyglossidae -- All species.
- 33 (l) Order Peramelemorphia:

- 1 A) Dry country bandicoots -- Peramelidae -- All species except *Isoodon obesulus*, *Perameles gunnii*,  
2 and *P. nasuta*;
- 3 (B) Rainforest bandicoots -- Peramelidae -- All species.
- 4 (m) Order Perissodactyla:
- 5 (A) Zebra and Asses-- Equidae -- *Equus* All species;
- 6 (B) Rhinoceros -- Rhinocerotidae -- All species;
- 7 (C) Tapirs -- Tapiridae -- All species.
- 8 (n) Order Pholidota:
- 9 (A) Pangolins -- Manidae -- All species.
- 10 (o) Order Pilosa:
- 11 (A) Three-toed tree sloths -- Bradypodidae -- All species;
- 12 (B) Two-toed tree sloths -- Megalonychidae -- All species;
- 13 (C) Anteaters -- Myrmecophagidae -- All species.
- 14 (p) Order Proboscidea:
- 15 (A) Elephants -- Elephantidae -- All species.
- 16 (q) Order Rodentia:
- 17 (A) Scaly--tailed squirrels -- Anomaluridae -- All species;
- 18 (B) Hutias -- Capromyidae -- All species;
- 19 (C) Mara (Patagonian hare) -- Caviidae -- *Dolichotis* All species;
- 20 (D) Mountain viscachas -- Chinchillidae -- *Lagidium* All species;
- 21 (E) Dwarf hamsters -- Cricetidae -- *Phodopus* All species
- 22 (F) Paca -- Cuniculidae -- *Cuniculus paca*;
- 23 (G) Agoutis -- Dasyproctidae -- *Dasyprocta* All species;
- 24 (H) Acouchis -- Dasyproctidae -- *Myoprocta* All species;
- 25 (I) Pacarana -- Dinomyidae -- *Dinomys branickii*;
- 26 (J) Prehensile-tailed Porcupines -- Erethizontidae -- *Coendou* All species;
- 27 (K) Kangaroo Rats -- Heteromyidae -- *Dipodomys deserti* and *D. spectabilis*;
- 28 (L) Brush-tailed porcupines -- Hystricidae -- *Atherusus* All species;
- 29 (M) Old world porcupines -- Hystricidae -- *Hystrix* All species except *H. africae australis*, *H. cristata*,  
30 and *H. indica*;
- 31 (N) Spiny mice -- Muridae -- *Acomys* All species;
- 32 (O) Crateromys (Bushy tailed cloud rats) -- Muridae -- *Crateromys* All species;
- 33 (P) African giant pouched rats -- Muridae -- *Cricetomys* All species;

- 1 (Q) African White-tailed rat -- Muridae -- *Mystromys albicaudatus*;
- 2 (R) Phloeomys (Slender tailed rats) -- Muridae -- *Phloeomys* All species;
- 3 (S) Degus -- Octodontidae -- *Octodon* All species;
- 4 (T) South African Springhare -- Pedetidae -- *Pedetes capensis*;
- 5 (U) Prevost's squirrel -- Sciuridae -- *Callosciurus prevostii*;
- 6 (V) African palm squirrels -- Sciuridae -- *Epixerus* All species;
- 7 (W) Pygmy flying squirrels -- Sciuridae -- *Petaurillus* All species;
- 8 (X) Oil palm squirrels -- Sciuridae -- *Protoxerus* All species;
- 9 (Y) Giant squirrels -- Sciuridae -- *Ratufa* All species.
- 10 (r) Order Sirenia:
- 11 (A) Manatees -- All families -- All species.
- 12 (s) Order Tubulidentata:
- 13 (A) Aardvark -- Orycteropodidae -- *Orycteropus afer*.
- 14 (2) Noncontrolled Birds: Nothing in this subsection authorizes the importation, possession, sale,
- 15 confinement or transportation of birds protected by the federal Migratory Bird Treaty Act: Common
- 16 Name -- Family -- Genus/species:
- 17 (a) Order Charadriiformes:
- 18 (A) Senegal thick-knee -- Burhinidae -- *Burhinus senegalensis*;
- 19 (B) Water thick-knee -- Burhinidae -- *Burhinus vermiculatus*.
- 20 (b) Order Coliiformes:
- 21 (A) Mousebirds and Collies -- Coliidae -- All species.
- 22 (c) Order Coraciiformes:
- 23 (A) Blue-winged kookaburra -- Alcedinidae -- *Dacelo leachii*;
- 24 (B) Woodland kingfisher -- Alcedinidae -- *Halcyon senegalensis*;
- 25 (C) African pygmy kingfisher -- Alcedinidae -- *Ispidina picta*;
- 26 (D) Hornbills -- Bucerotidae -- All species;
- 27 (E) Rollers -- Coraciidae -- All species;
- 28 (F) Bee-eaters -- Meropidae -- All species except *Merops apiaster*, *M. oreobates*, *M. pusillus*, and
- 29 *Nyctyornis athertoni*;
- 30 (G) Motmots -- Momotidae -- All species.
- 31 (d) Order Cuculiformes:
- 32 (A) White browed coucal-- Centropodidae -- *Centropus superciliosus burchelli*;
- 33 (B) Pheasant coucal -- Centropodidae -- *Centropus phasianinus*;

- 1 (C) Senegal coucal -- Centropodidae -- *Centropus senegalensis*;
- 2 (D) Greater coucal -- Centropodidae -- *Centropus sinensis*.
- 3 (e) Order Galliformes:
- 4 (A) Curassows, guans, and chacalacas -- Cracidae -- All species except *Chamaepetes goudotii*,
- 5 *Penelope montagnii*, and *P. superciliaris*;
- 6 (B) Megapodes -- Megapodiidae -- All species.
- 7 (f) Order Gruiformes:
- 8 (A) Trumpeters -- Psophiidae -- All species;
- 9 (B) Buttonquails and hemipodes -- Turnicidae -- All species.
- 10 (g) Order Passeriformes:
- 11 (A) Orange-breasted bunting -- Cardinalidae -- *Passerina leclancherii*;
- 12 (B) Cotingas -- Cotingidae -- All species;
- 13 (C) Red-crested finch -- Emberizidae -- *Coryphospingus cucullatus*;
- 14 (D) Pileated finch -- Emberizidae -- *Coryphospingus pileatus*;
- 15 (E) Yellow-breasted bunting -- Emberizidae -- *Emberiza aureola*;
- 16 (F) Golden-breasted bunting -- Emberizidae -- *Emberiza flaviventris*;
- 17 (G) Cinnamon-breasted bunting -- Emberizidae -- *Emberiza tahapisi*;
- 18 (H) Yellow cardinal -- Emberizidae -- *Gubernatrix cristata*;
- 19 (I) Black-crested finch -- Emberizidae -- *Lophospingus pusillus*;
- 20 (J) Crested bunting -- Emberizidae -- *Melophus lathamii*;
- 21 (K) Yellow-billed cardinal -- Emberizidae -- *Paroaria capitata*;
- 22 (L) Red-crested cardinal -- Emberizidae -- *Paroaria coronata*;
- 23 (M) Black-capped warbling finch -- Emberizidae -- *Poospiza melanoleuca*;
- 24 (N) Saffron finch -- Emberizidae -- *Sicalis flaveola*;
- 25 (O) Double-collared seedeater -- Emberizidae -- *Sporophila caerulescens*;
- 26 (P) Rusty-collared seedeater -- Emberizidae -- *Sporophila collaris*;
- 27 (Q) Parrot-billed seedeater -- Emberizidae -- *Sporophila peruviana*;
- 28 (R) Slate-colored seedeater -- Emberizidae -- *Sporophila schistacea*;
- 29 (S) Swallow tanager -- Emberizidae -- *Tersina viridis*;
- 30 (T) Cuban grassquit -- Emberizidae -- *Tiaris canorus*;
- 31 (U) Blue-back grassquit -- Emberizidae -- *Volatinia jacarina*;
- 32 (V) Waxbills, mannikins, munias -- Estrilididae -- All species;
- 33 (W) Broadbills -- Eurylaimidae -- All species;

- 1 (X) Black siskin -- Fringillidae -- *Carduelis atrata*;
- 2 (Y) Linnet -- Fringillidae -- *Carduelis cannabina*;
- 3 (Z) European goldfinch -- Fringillidae -- *Carduelis carduelis*;
- 4 (AA) Red siskin -- Fringillidae -- *Carduelis cucullata*;
- 5 (BB) Hooded siskin -- Fringillidae -- *Carduelis magellanica*;
- 6 (CC) Yellow--breasted greenfinch -- Fringillidae -- *Carduelis spinoides*;
- 7 (DD) European siskin -- Fringillidae -- *Carduelis spinus*;
- 8 (EE) Yellow-rumped siskin -- Fringillidae -- *Carduelis uropygialis*;
- 9 (FF) Yellow-bellied siskin -- Fringillidae -- *Carduelis xanthogastra*;
- 10 (GG) Yellow-billed grosbeak -- Fringillidae -- *Eophona migratoria*;
- 11 (HH) Japanese grosbeak -- Fringillidae -- *Eophona personata*;
- 12 (II) Oriole finch -- Fringillidae -- *Linurgus olivaceus*;
- 13 (JJ) Brown bullfinch -- Fringillidae -- *Pyrrhula nipalensis*;
- 14 (KK) Eurasian bullfinch -- Fringillidae -- *Pyrrhula pyrrhula*;
- 15 (LL) Black-throated island canary -- Fringillidae -- *Serinus atrogularis*;
- 16 (MM) Island canary -- Fringillidae -- *Serinus canaria*;
- 17 (NN) Yellow crowned canary -- Fringillidae -- *Serinus flaviventris*;
- 18 (OO) White-rumped seedeater -- Fringillidae -- *Serinus leucopygius*;
- 19 (PP) Yellow-fronted canary -- Fringillidae -- *Serinus mozambicus*;
- 20 (QQ) European serin -- Fringillidae -- *Serinus serinus*;
- 21 (RR) Long-tailed rosefinch -- Fringillidae -- *Uragus sibiricus*;
- 22 (SS) Troupials and Allies -- Icteridae -- All nonnative species;
- 23 (TT) Leafbirds and fairy bluebirds -- Irenidae -- All species;
- 24 (UU) Honeyeaters -- Meliphagidae -- All species;
- 25 (VV) Old World Flycatchers -- Muscicapidae -- *Copyschus* All species;
- 26 (WW) Sunbirds -- Nectariniidae -- All species;
- 27 (XX) Sudan sparrow -- Passeridae -- *Passer luteus*;
- 28 (YY) Red-headed weaver -- Ploceidae -- *Anaplectes rubriceps*;
- 29 (ZZ) Yellow-crowned bishop -- Ploceidae -- *Euplectes afer*;
- 30 (AAA) Red-collared widowbird -- Ploceidae -- *Euplectes ardens*;

- 4       ~~(V)~~ (Y)American knob-scaled lizards -- Xenosauridae -- *Xenosaurus* All species.
- 5       (d) Order Squamata (Suborder Serpentes):
- 6       (A) File snakes -- Acrochordidae -- All species;
- 7       (B) Pythons and Boas -- Boidae -- All nonnative species;
- 8       (C) Milk, Pine, Corn, Rat, Garter snakes -- Colubridae -- All nonnative species except *Boiga*
- 9       *irregularis*, *Lampropeltis getula*, *L.zonata*, and *Pituophis catenifer*;
- 10       (D) Kingsnakes and gopher (bull) snakes -- Colubridae -- Individuals of *Lampropeltis getula*, *L.*
- 11       *zonata* and *Pituophis catenifer* that are morphologically distinct from native species.
- 12       (E) Egyptian cobra -- Elapidae -- *Naja haje*;
- 13       (F) Black & white cobra -- Elapidae -- *Naja melanoleuca*;
- 14       (G) Indian cobra -- Elapidae -- *Naja naja*;
- 15       (H) Red spitting cobra -- Elapidae -- *Naja pallida*;
- 16       (I) King cobra -- Elapidae -- *Ophiophagus hannah*;
- 17       (J) Bush vipers -- Viperidae -- *Atheris* All species;
- 18       (K) Gaboon viper -- Viperidae -- *Bitis gabonica*;
- 19       (L) Rhinoceros viper -- Viperidae -- *Bitis nasicornis*;
- 20       (M) Horned vipers -- Viperidae -- *Cerastes* All species;
- 21       (N) Rattlesnakes -- Viperidae -- *Crotalus aquilus*, *C. basiliscus*, *C. durissus*, *C. intermedius*, *C.*
- 22       *polystictus*, *C. pusillus*, *C. tortugensis*, *C. triseriatus*, *C. unicolor*, and *C. vegrandis*;
- 23       (O) Saw-scaled vipers -- Viperidae -- *Echis* All species;
- 24       (P) Bushmaster -- Viperidae -- *Lachesis muta*;
- 25       (Q) False horned vipers -- Viperidae -- *Pseudocerastes* All species;
- 26       (R) Pygmy rattlesnakes -- Viperidae -- *Sistrurus miliarius* and *S. ravus*.
- 27       (c) Order Testudines:
- 28       (A) Pignose turtles -- Carettochelyidae -- All species;
- 29       (B) Austro--American side-necked turtles -- Chelidae -- All species;
- 30       (C) Marine turtles -- Cheloniidae -- All species;
- 31       (D) River turtles -- Dermatemydidae -- All species;
- 32       (E) Leatherback turtles -- Dermochelyidae -- All species;

1 (F) Pond and box turtles -- Emydidae -- All nonnative species except *Pseudemys* spp., *Trachemys*  
2 spp., *Chinemys* spp., *Clemmys* spp., *Chrysemys* spp., *Graptemys* spp., *Emys orbicularis*, *Emydoidea*  
3 *blandingii* and *Mauremys* spp.;

4 (G) American mud and musk turtles -- Kinosternidae -- All species except *Kinosternon subrubrum*  
5 and *K. odoratum*;

6 (H) Afro-American side-necked turtles -- Pelomedusidae -- All species;

7 (I) Bighead turtles -- Platysternidae -- All species;

8 (J) Tortoises -- Testudinidae -- All species;

9 (K) Softshell turtles -- Trionychidae -- All species except *Apolone* spp. and *Trionyx triunguis*.

10 (5) Noncontrolled Fish: Common Name -- Family -- Genus/species: Aquaria fish and Live Foodfish --  
11 All species.

19 **Classification Requests**

20 (1) For species that are not listed in these rules, no person may possess, import, purchase, sell,  
21 exchange, or offer to purchase, sell or exchange the species in Oregon.

22 (2) Species may be classified as Prohibited, Controlled or Noncontrolled. The classification may vary  
23 by activity (e.g., possession allowed, but sale prohibited). If a specific nonnative species, subspecies or  
24 hybrid is not classified as either Prohibited, Controlled or Noncontrolled, or is classified but not for a  
25 particular activity (e.g., import, sale, possession, transport), any person may either:

26 (a) Petition the commission to classify the species or allow the particular activity pursuant to OAR  
27 137-001-0070; or

28 (b) Request the director to classify the species as Noncontrolled, pursuant to OAR 635-056-0140.

29 (c) Any person petitioning or requesting classification shall provide information illustrating that the  
30 requested action will not harm, nor has the potential to harm, any native species or its habitat. The  
31 information should be scientific in nature, in written form and include an appropriate literature cited  
32 section.

1 (3) In evaluating a request to classify a species, subspecies or hybrid, the commission may consider  
2 the following factors, when appropriate:

3 (a) Potential to introduce disease or parasites to native wildlife populations;

4 (b) Potential for interbreeding or hybridizing with native wildlife;

5 (c) Possible competition with native wildlife for habitat, food, water, etc.;

6 (d) Impacts on the habitat of native wildlife;

7 (e) Potential predation on native wildlife;

8 (f) Feasibility and cost of capturing ~~and~~ eradicating escaped animals;

9 **(g) Cost of capturing and eradicating escaped animals; or**

10 **(g) Any other factor or consideration the commission considers necessary to protect and maintain**  
11 **native wildlife.**

12 (4) The director may appoint a Wildlife Integrity Review Panel to consider the information presented  
13 by the petitioner as appropriate. The director may, in appointing the panel, consider scientific expertise,  
14 professional background, and other qualifications needed to make sound decisions. The director may seek  
15 commission recommendations in making Wildlife Integrity Review Panel appointments. If convened, the  
16 panel shall make a recommendation to the commission on the classification of the species, subspecies or  
17 hybrid and what conditions, if any, should apply to the proposed activity (e.g., import, sale, possession,  
18 transfer).

19 (5) The director may call for scientific based studies or other verifiable information useful in placing  
20 the requested species in the appropriate classification category.

25  
26 **635-056-0140**

27 **Noncontrolled Classification**

28 (1) Upon a request pursuant to OAR 635-056-0130(3)(b), the director may classify a species as  
29 Noncontrolled if the director determines, based upon scientific information, that the species presents a  
30 low risk of harm to native wildlife. In evaluating the risk, the director shall determine the relative risk  
31 (high, medium, low, unknown) for each of the following criteria:

32 (a) Whether the species' natural range and habitat is similar to Oregon's climate and habitat;

33 (b) Whether the species has an invasive history;

- 1 (c) Whether the species can survive in Oregon;
- 2 (d) Whether the species has the potential to prey upon and impact native wildlife;
- 3 (e) Whether the species can potentially degrade the habitat of native wildlife;
- 4 (f) Whether the species has the potential to pass disease or parasites to native wildlife;
- 5 (g) What types of disease or parasites could be passed on to native wildlife;
- 6 (g~~h~~) Whether the species has the potential to compete for food, water, shelter, or space with native
- 7 wildlife; and
- 8 (h~~i~~) Whether the species has the potential to hybridize with native wildlife;
- 9 (i~~j~~) Whether the species can be readily distinguished from a native species, or a prohibited or
- 10 onttrolled species.

11 (2) If the director determines that the risk for all of the above criteria is low, or that the risk for one of  
 12 the criterion is medium and the risk for the remaining criteria is low, then the director may classify the  
 13 species as Noncontrolled. If the director determines that the risk for any of the criteria is high or  
 14 unknown, or that the risk for two or more of the criteria is medium, the director shall refer the petition to  
 15 the commission for a decision.

16 (3) The director shall notify the petitioner in writing of any decision and the rationale for that  
 17 decision. If the petitioner or an affected person disagrees with the director's decision to list a species as  
 18 Noncontrolled, the person may request the commission to review the director's decision.

19 (4) The director shall maintain a list of those species classified as Noncontrolled, and shall make the  
 20 list available to the public.

28 **Grandfathering**

29 (1) A person who possessed a Prohibited wildlife species prior to the time the commission places the  
 30 species on the Prohibited list, or an unclassified species if legally obtained prior to January 1, 2000, may  
 31 continue to hold the animal(s) for the life of such animal(s), provided:

- 32 (a) The person has proof of legal possession prior to the listing (e.g., sales receipt, import permit from
- 33 Oregon Department of Agriculture, ~~or signed affidavit~~);

1 (b) The animal(s) and any offspring are not released, transported, imported, sold, purchased,  
2 exchanged, offered for sale, purchase or exchange, or otherwise transferred within the state; and

3 (c) The person abides by all regulations outlined in OAR 635-056-0110.

4 (2) A Prohibited wildlife species legally held in compliance with the requirements of subsection (1) of  
5 this rule may be sold or exchanged provided that the animal is directly and permanently transported out of  
6 Oregon.
