DIVISION 75

LANDOWNER HUNTING PREFERENCE AND OUTFITTERS
AND GUIDES TAG ALLOCATION

635-075-0005

Registration, Application and Tag Issuance Procedures and Limits for All Controlled Hunts

(1) A landowner shall submit a landowner preference registration form to be eligible for a landowner preference tag. A one-time fee of \$30.00 **is required** at the time of registration for new program participants. A landowner can have only one registration form on file with the Department. However, an individual who owns (through business entities, in the individual's own name or a combination thereof) more than one property eligible for the landowner preference program may register each such property. The registration form is an affidavit certifying ownership, number of acres owned, the county and Wildlife Management Unit where the property is located. This registration form registers the individual and remains valid until the individual registered no longer qualifies as a landowner as defined under OAR 635-045-0002, writes to the Department requesting the registration form be deleted, or the Department notifies the landowner that a renewal is required.

(2) In addition to having a landowner preference registration form on file with the Department, a landowner or an authorized designee identified by the landowner in writing to the Department shall submit a tag distribution form annually. The tag distribution form shall list the names of the landowner, stockholder(s), partner(s), and their immediate family members to receive tags for pronghorn antelope, and the names of the landowner, stockholder(s), partner(s), their immediate family members, and those persons of the landowners' choosing to receive landowner preference tags for deer and elk.

(3) Landowners shall submit registration forms and landowners or their designee shall submit tag distribution forms prior to September 15 for all controlled 100 series buck deer and bull elk hunts, and through the day prior to the season openings for 600 series antlerless deer, antlerless elk, and doe/fawn pronghorn antelope hunts. A Landowner Preference Tag Redistribution fee \$15.00 will be charged per species for amendments made to the original tag distribution forms.

(4) Registration forms and tag distribution forms are available at no charge in any office of the Department.

(5) Registration forms, tag distribution forms, and applications shall be received at the Salem headquarters office of the Department prior to issuance of any landowner preference tag, except as provided for in OAR 635-075-0007. Landowners are not required to submit proof of ownership with their registration form. Landowners shall be required to submit proof of ownership at the request of the Department or the Oregon State Police acting on behalf of the Department.

(6) A landowner, stockholder(s), partner(s), and immediate family and those persons of the landowners' choosing wishing to also apply for controlled hunt tags shall apply by the May 15 controlled hunt deadline. Listing a hunt choice other than a landowner preference choice is not required.

(7) Everyone shall follow controlled hunt application procedures and regulations as described in OAR Division 060.

(8) The number of landowner preference tags issued is based upon a landowner's acreage. Landowner Preference tags shall be allocated by the following minimum acreage requirements:

TAGS — MINIMUM ACREAGE — HUNT TYPE

2 —	40 —	all hunts except eastern Oregon buck deer, Eastern Oregon bull elk, either-sex elk, and doe/fawn pronghorn antelope hunts
2 —	160 —	all hunts
3 —	1,200 —	all hunts
4 —	2,500 —	all hunts
5 —	5,000 —	all hunts
6 —	10,000 —	all hunts
8 —	20,000 —	all hunts
10 —	40,000 —	all hunts
12 —	80,000 —	all hunts
14 —	160,000 and greater —	all hunts

(9) Landowner preference tags for the hunting of deer or elk may be issued to any person of the landowner's choosing, and shall be used for the taking of antlerless animals except as described in OAR 635-075-0005 (§10). Season dates of the transferred landowner preference tags shall be the same dates as the original tag.

(10) Landowner preference tags for the hunting of antlered deer or elk ~~[that are]~~ **may be issued** to a person of the landowner's choosing who is not a member of the landowner's, partner's, or stockholder's immediate family ~~[may be used to take an antlered animal only]~~ as follows:

~~[(a) If the landowner is eligible for two, three, or four preference tags, one of those tags may be so used.~~

~~(b) If the landowner is eligible for five, six or seven preference tags, two of those tags may be so used.~~

~~(c) If the landowner is eligible for eight, nine or 10 preference tags, three of those tags may be so used.~~

~~(d) If the landowner is eligible for 11 or 12 preference tags, four of those tags may be so used.~~

~~(e) If the landowner is eligible for 13 or 14 preference tags, five of those tags may be so used.]~~

(a) A landowner who is issued only one tag may not transfer that tag.

(b) A landowner who is issued two or more tags may transfer not more than 50 percent of the tags to a person who is not an immediate family member as defined in ORS 496.146 (4). If calculation of the number of tags eligible for transfer under the provisions of this paragraph results in a fraction, the Commission shall round up the number of tags to the next whole number.

(11) A landowner who is qualified to receive landowner hunting preference tags may request two additional tags for providing public access and/or two additional tags for wildlife habitat programs. This request shall be made to the Access and Habitat Board with supporting evidence that the access is significant and the habitat programs benefit wildlife. The board may recommend that the commission grant the request. These tags may not be applied to the options as defined in OAR 635-075-0005(8).

1 (12) No one shall receive both a controlled hunt tag and a landowner preference tag for the same type of hunt.
2 Landowner hunting preference tags shall not be issued to any person successful in the controlled hunt drawing for the
3 same type of hunt.

4 (13) Landowner preference tags, except as described in OAR 635-075-0007, 635-075-0010, and 635-075-0015
5 shall only be issued from the headquarters office of the Department following the controlled hunt drawings.

8 **Hunting Area Allowed With Landowner Hunting Preference Tags**

9 (1) A landowner preference tag authorizes the recipient to hunt only on those lands owned and registered in the
10 Landowner Preference Program by the landowner, and meeting the minimum acreage requirements for that hunt,
11 during the season dates for which the tag is valid, except as provided for in OAR 635-075-0010(4) and (5).

12 (2) Landowner hunting preference tags are valid on the landowner's registered property in other controlled hunt
13 areas provided the species, bag limits, and season dates are the same, and the landowner's property in that area either:

14 (a) Meets the minimum acreage requirements for that hunt; or

15 (b) is contiguous to other property owned and registered by the landowner that, if added together, would meet the
16 minimum acreage requirements for that hunt.

17 (3) A landowner receiving a landowner preference controlled buck deer hunt or controlled elk hunt tag may not
18 hunt in any other controlled or general buck deer or elk season, except as provided in OAR division 090.

19 (4) When a landowner is qualified under landowner preference rules adopted by the Commission and the
20 landowner or an immediate family member receives a deer or elk controlled hunt tag for that unit and has not
21 harvested an animal, the landowner or immediate family member may use that tag to take an antlerless deer, except
22 for white-tailed deer in Western Oregon, or elk before, during, or after the hunting season for which the tags are valid,
23 when approved by the Department, to alleviate damage that is presently occurring to the landowner's property.

24 (5) Each unfilled landowner preference deer [~~or~~ elk] tag may be transferred and used to take two antlerless
25 animals, except for white-tailed deer in Western Oregon, before, during or after the hunting season for which the tags
26 are valid, when approved by the Department, to alleviate damage that is presently occurring to the landowner's
27 property in accordance with the following criteria:

28 (a) Transfer must be done by an authorized representative of the Department for no charge;

29 (b) Tag(s) is/are to be transferred to someone of the landowner's choice;

30 ~~[(c) The landowner and those receiving a transferred elk tag must surrender any original unfilled elk tag; or sign
31 an affidavit stating the tag has been lost, stolen, or destroyed;]~~

32 ~~[(d)]~~ (c) No more than one tag may be transferred to any one person;

33 ~~[(e)]~~ (d) Each tag may only be transferred once;

1 ([f]e) Tags shall be issued for a period of no more than 30 days from the date of issuance, and end no later than
2 March 31. A Department representative may reauthorize an unfilled tag to the same person for an additional 30 days if
3 damage is presently occurring;

4 ([g]f) Persons who have been successful in harvesting a buck and/or antlerless deer in a general and/or controlled
5 hunt season (excluding "leftover" tags) are also eligible to receive one damage landowner preference deer tag in a
6 fiscal year of July through June;

7 [~~(h) Only persons who have not been successful in harvesting an elk in a general or controlled hunt season are~~
8 ~~eligible to receive one damage landowner preference elk tag in a fiscal year of July through June;~~

9 [~~(i) Department personnel shall verify that the person(s) receiving tag(s) has a valid hunting license and has not~~
10 ~~been successful in harvesting an elk during current general or controlled seasons.]~~

11 ([j]g) Department personnel shall collect the appropriate fee for the second tag at time of transfer;

12 (6) Landowner preference pronghorn antelope tags may only be used during the authorized hunt season.

22 addresses damage caused by elk on privately owned lands in [~~Jackson, Josephine, Coos, Curry and Douglas~~
23 ~~Counties~~]**Oregon** by granting [~~extra landowner preference~~]**damage** tags to qualifying landowners.

24 (2) A "qualifying landowner" is:

25 (a) An individual, partnership, corporation, unincorporated association or other nongovernmental entity which;

26 (b) Owns, leases or rents land in **Oregon**[~~Jackson, Josephine, Coos, Curry or Douglas County~~]; and

33 agricultural or forest crops.

34 (4) This [~~pilot~~] **damage program** operates in the same manner as the landowner preference tag program in OAR

36 (a) [~~Pilot~~]**Damage** program tags are limited to antlerless elk;

1 (b) [~~Pilot~~]**Damage** tags may be used to take elk only on property owned, leased or rented by the landowner or by
2 a business entity that includes the landowner as a principal partner or shareholder;

3 (c) Qualifying landowners may exchange unused general season elk tags or controlled hunt tags for
4 [~~pilot~~]**damage** program tags;

5 (d) No more than five [~~pilot~~]**damage** program tags may be valid at any one time on a particular property;

6 (e) Qualifying landowners may receive **damage** tags regardless of the size of their property. There is no minimum
7 acreage requirement;

8 (f) Qualifying landowners may register for [~~pilot~~]**damage** program tags at any time.

9 (g) The validity period (the time during which [~~pilot~~]**damage** program tags may be used on a particular property)
10 shall be negotiated between the Department's district biologist and the qualifying landowner;

11 (h) Each qualifying landowner receiving [~~pilot~~]**damage** program tags must (within 10 days of a designated hunt
12 period) report to the local Department district biologist the number of elk taken by the landowner with [~~pilot~~]**damage**
13 program tags;

14 (i) [~~Pilot~~]**Damage** program tags may be obtained from, and exchanged through, Department district biologists
15 (rather than point of sale vendors).

16 **(j) Only persons who have not been successful in harvesting an elk in a general or controlled hunt season**
17 **are eligible to receive one damage program elk tag in a fiscal year of July through June;**

18 **(k) The landowner and those receiving a transferred elk tag must surrender any original unfilled elk tag;**
19 **or sign an affidavit stating the tag has been lost, stolen, or destroyed;**

20 **(kl) Department personnel shall verify that the person(s) receiving tag(s) has a valid hunting license and**
21 **has not been successful in harvesting an elk during current general or controlled seasons.]**

22 ~~{(5) The Department shall establish an advisory committee that includes but is not limited to hunters, landowners,~~
23 ~~elected officials, Department staff and Oregon State Police to meet at least once annually to review the pilot program~~
24 ~~and recommend any necessary changes.]~~

30 **Landowner Hunting Preference Tags in Special Seasons**

31 (1)(a) Landowner hunting preference tags are not available for the long duration youth elk hunts (August 1 -
32 December 31) or the Melrose 223T (August 1 - March 31, [~~2011~~]**2015**) youth elk hunt.

33 (b) Landowner preference tags for North Warner Hunt 174A shall be limited to 39 tags and landowner preference
34 tags for the Maury Unit Hunt 136 shall be limited to 84 tags.

35 (c) During deer hunts 141C, 142B, 154C, 165R, 168R2 and 170R3, and controlled elk hunts with a bag limit of
36 spike or better in units where the usual bag limit for bull elk is spike only, landowner hunting preference tags shall be
37 limited to five tags or 10 percent of the total controlled hunt tags whichever is greater; the bag limit for these elk tags
38 shall be spike or better.(2) If landowner preference tags remain from the controlled hunts described in 635-075-

1 0020(1)(b) or (1)(c) after the game mammal controlled hunt drawing, the Department will issue remaining tags to
2 qualified landowners in the following manner:

3 (a) The tags shall be issued on a first-come, first-served basis.

4 (b) The Department will set the time and date for the sale of the tags.

5 (c) Tags issued are additional tags. A qualified landowner may purchase only one first-come, first-served tag per
6 hunt series. Such a tag may be for the landowner or for someone other than the landowner listed on their tag
7 distribution form.

8 (d) For the purposes of OAR 635-075-0020(2), "qualified landowner" is a landowner who registered their land
9 through the landowner preference program for the Wildlife Management Unit which includes the controlled hunt and
10 who has a current tag distribution form filed with the Department.

11 (3) A hunter who received a tag of his or her choice through the original game mammal controlled hunt drawing
12 process may exchange that tag for a remaining tag in the first-come, first-served process while tags remain available.
13 Tag purchases and exchanges may be obtained only through ODFW Salem Headquarters and must be made before the
14 start of the seasons for which the tags are issued. The tag being exchanged shall not be reissued.
