

Agenda Item Summary

BACKGROUND

The Oregon Wolf Conservation and Management Plan (plan) and its associated technical rules were adopted by the Commission in December, 2005 and updated in 2010. The plan calls for annual reporting to the Commission. Staff will provide an overview of the implementation of the Wolf Plan in 2014 which will include the current status of Oregon wolves and wolf program activities. This update is independent of future Commission discussions regarding the potential delisting of wolves.

PUBLIC INVOLVEMENT

- Communication with local sports groups and other interested parties.
- Communication with local residents in the areas affected by Oregon's wolf population.
- Questions from interested persons, including the news media, were answered.
