

## DIVISION 008

## DEPARTMENT OF FISH AND WILDLIFE LANDS

## Forage Removal from Department Lands

## 635-008-0040

## Forage Removal from Department Lands

(1) Forage removal from Department owned or managed lands by haying, grazing, or other means will be by [a] agreement [~~permit~~] only. Agreements [~~Permits~~] will be issued by the Department for a period not to exceed five years. Agreements [~~Permits~~] are not transferable.

(2) Forage removal agreements [~~permits~~] will be considered on a priority basis. First priority will be given to local grazing associations, adjoining landowners, adjacent landowners and former agreement holders [~~permittees~~], not necessarily in that order. Second priority will be given to any other interested party.

(3) Selection of first priority agreement holders [~~permittees~~] will be made in accordance with the management objectives for the land.

(4) Selection of second priority applicants will be based on the highest bidder.

(5) Fees charged to first priority agreement holders [~~permittees~~] will be similar to those fees charged on comparable forage in the vicinity. Fees charged to second priority agreement holders [~~permittees~~] will be established through the competitive bid.

(6) Management practices affecting forage removal will be established to protect the property and benefit wildlife resources.

(7) A forage removal agreement [~~permit~~] may be cancelled by the Director for failure to:

(a) Follow all requirements set forth in the agreement [~~permit~~];

(b) Pay fees required;

(c) Follow forage removal practices established to protect the property and benefit wildlife resources.

## Fish and Wildlife Commission to Post and Enforce Rules

In compliance with authority contained in ORS 496.146(9), and penalties prescribed in 496.992, the following rules are adopted to protect wildlife, fish, lands, and appurtenances or management activities and objectives on lands where title to, or control of, rests in the State of Oregon, acting by and through its Department of Fish and Wildlife. In addition to the requirements and restrictions contained in chapter 635, divisions 011, 021, 045, 046, 050, 051, 052, 053, 054, and 060; the following rules shall apply to all Department wildlife areas referenced in chapter 635, division 008 except as modified by the rules for individual wildlife areas.

(1) In order to further the purposes of ORS 496.012 or to protect public safety, portions of wildlife areas may be posted and closed to all entry. Entering an area posted "closed to entry" is prohibited except by permit.

(2) Leaving garbage and litter on the area is prohibited.

1 (3) Posted Refuges and Safety Zones are closed to hunting and shooting.

2 (4) Motor vehicles are prohibited except on parking areas and open roads or as provided for in the following  
3 rules. No cross country travel or off road motor vehicle use is allowed, except by ODFW issued permit or for  
4 administrative use.

5 (5) A permit is required to remove firewood, cut trees, dig or remove artifacts or archeological specimens,  
6 minerals, sand, gravel, rock, or any other article, product or material found on the area except for fish and wildlife  
7 taken as permitted by law and edible fruiting bodies of plants for personal consumption.

8 (6) An agreement [permit] is required to graze livestock except riding and pack animals in actual use for  
9 recreational purposes. Trespass livestock may be removed and/or impounded at the owner's expense in  
10 compliance with ORS Chapter 607.

11 (7) No person shall display behavior which unreasonably deters, distracts or hinders others in the peaceable  
12 enjoyment of the area.

13 (8) The Department may evict any person from the area for any violation of any Department rule or  
14 regulation, or when continued presence of that person could cause a threat to the rights and safety of others or  
15 property.

16 (9) No person, commercial vendor or company shall dispense or sell material, goods or items on the area,  
17 except by permit.

18 (10) The Department may issue access permits allowing exceptions to these rules for uses or activities  
19 compatible with the purpose of each wildlife area, and consistent with the goals and objectives of their respective  
20 Wildlife Area Management Plan where applicable.
