

SPECIAL AUCTION AND RAFFLE TAGS

A number of unique hunting opportunities are available in Oregon through the use of special auction and raffle tags that offer expanded hunt areas and extended season dates. As a result, the auction and raffle tags are very popular.

The tags generate revenue for specific programs; funds raised by the auction and raffle tags for bighorn sheep, pronghorn, and Rocky Mountain goats generate funding for management and research of respective species. The auction and raffle tags for deer and elk provide funding for the Access and Habitat Program.

Bighorn Sheep

The Oregon bighorn sheep auction and raffle tag program has been the cornerstone of funding for bighorn management and research in Oregon since its inception (Table 1). The 2017 Oregon bighorn auction tag sold for \$135,000 in January 2017. The 2017 bighorn raffle tag was drawn at the May 13, 2017 Oregon Hunters Association (OHA) convention. Raffle sales were \$85,513.

Pronghorn Antelope

The (Oregon Fish and Wildlife Commission (Commission) is authorized to annually issue one pronghorn auction tag and one pronghorn raffle tag. Funding generated from these tags is dedicated to pronghorn management and research. After 14 years, these tags have generated nearly \$300,000 (Table 2). The 2017 special auction tag sold for \$11,000 at the Tillamook chapter of OHA banquet (Table 2). Raffle sales for the 2017 pronghorn tag were \$18,350. The raffle tag was drawn at the May 13, 2017 OHA convention.

Rocky Mountain Goat

The Commission is authorized to annually issue one Rocky Mountain goat auction tag and one Rocky Mountain goat raffle tag. Funding generated from these tags is dedicated to Rocky Mountain goat management and research. In the 14 years the raffle tag has been drawn, the tag has generated nearly \$250,000 for Rocky Mountain goat management and research (Table 3). The 2017 raffle tag was drawn at the May 13, 2017 OHA convention and generated \$28,886. In 2017, the second Rocky Mountain goat auction tag was sold for \$37,000. In two years, this tag has generated \$67,000. The total funds generated from the two types of tags is now approaching \$300,000.

Access and Habitat, Deer and Elk Auction and Raffle Program

The annual auction and raffle of deer and elk tags is a valuable funding source for Access and Habitat (A&H), accounting for approximately one quarter of A&H Program revenue since 1995. The tags have generated over \$6.5 million in revenue (Table 4). Combined proceeds from the auction and raffle tags, A&H license surcharge, and Green Forage & Deer Enhancement Restoration funds, have been used to implement over 450 hunter access or habitat improvement projects in Oregon.

Big game raffle tickets are sold at Department offices, point-of-sales license agents, and online beginning December 1 each year for the following year's raffle event. The 2017 raffle drawing took place at the OHA annual convention May 13, 2017.

A&H deer and elk tags are auctioned at fundraising banquets for various sport groups each spring. These events provide an opportunity for A&H Board Members and staff to discuss the benefits of the A&H program with the public. The A&H Board will select sponsoring organizations for 2018 at their July 18, 2017 meeting in Salem.

A&H Board and Department Recommendations

The Department and the Access and Habitat Board recommend continuation of the auction and raffle tag programs with the same allocation of tags for 2018 as in recent years. Raffle tag for all species would be drawn at the annual big game raffle-drawing event in conjunction with the Oregon Hunters Association State Convention, May 12, 2018. Proposed sponsors for the 2018 auction tags will be identified at the September 2018 Commission Meeting.

For 2018, the Department recommends the Commission authorize:

- One bighorn sheep auction tag and one bighorn sheep raffle tag
- One pronghorn auction tag and one pronghorn raffle tag
- One Rocky Mountain goat auction tag and one Rocky Mountain goat raffle tag

For 2018, The Access and Habitat Board recommends the Commission authorize:

- Five deer auction tags and five deer raffle tags
- Five elk auction tags and five elk Raffle tags
