Confederated Tribes of the Warm Springs
Off-Reservation Hunting Agreement

Oregon Fish and Wildlife Commission
Bandon
September 14, 2018

Kevin Blakely
Deputy Administrator, Wildlife Division
Memorandum of Agreement

• No changes to the key components of the agreement
• Proposed amendment is one word in the recitals of the MOA
• MOA recital referenced Article 1 of the 1855 Treaty and should have stated “hunting in common with citizens of the United States” rather than citizens of the State.
