

Agenda Item Summary

BACKGROUND

The Oregon Fish and Wildlife Commission (Commission) adopted Oregon Administrative Rules (OARs) at the October 2018 meeting to implement SB 372 (2017) permitting the salvage of deer and elk that are accidentally killed as a result of a vehicle collision. Upon filing those rules, staff were notified by Secretary of State’s office that the specific rule number (OAR 635-043-0200) had been used in the past and staff were required to complete temporary OARs with new rule number (OAR 635-043-0175).

PUBLIC INVOLVEMENT

Members of the public have had the opportunity to review the proposed rule change on the Department’s website and provide comments. Interested parties may also provide public comment during the Commission meeting.

ISSUE 1

PERMANENT RULE ADOPTION OF REQUIRED RULE NUMBERING FOR THE ROADKILL SALVAGE PERMIT.

ANALYSIS

The specific rule language was approved by the ODFW Commission on October 12, 2018. Upon filing, staff learned that the adopted rule numbering could not be used and temporary action was utilized. Permanent rulemaking is required to complete the intended Commission adoption of Roadkill Salvage Permit rules.
