Attachment 3: Draft Oregon Wolf Conservation and Management Plan, 2019 Update	31	Remove colon and insert new sentence at the end of line 29 to better clarify a term: “2. When in Phase III, the Plan also directs wolf protection and authorizes lethal removal, but includes the use of controlled take with the following stipulations: Use of controlled take as a management tool requires Commission approval through a separate public rulemaking process. ”
	51	Insert new text in sentence beginning on line 43 to better clarify a term as follows: “4. Controlled take, which requires Commission approval through a separate public rulemaking process, would be by ODFW special permit authorization for the public, and focused on a specific area of situation experiencing conditions that warrant a management response.”
	73	Insert new text in sentence beginning at the end of line 39 to better clarify a term as follows: “Actions involving lethal removal by controlled take, which requires Commission approval through a separate public rulemaking process, will be considered on a case-by-case basis (<i>see</i> Chapter III) only as follows:”
