9

10 **Adopt Temporary Rules**

11 Director Curt Melcher requested the Commission ratify the following temporary rules. The seven  
12 (7) temporary rules were previously adopted by the director under his emergency action authority.  
13

14 **1.) 635-006-0210**

15 **Require Electronic Fish Tickets for the Commercial Clam Fisheries**

16 Adopted 12/21/2021: effective 12/28/2021 through 12/31/2021.

17 This revised rule requires dealers to submit electronic fish tickets for commercial harvest of  
18 intertidal and subtidal clams (except razor clams) through December 21, 2021.  
19

20 **2.) 635-018-0090, 635-019-0090, and 635-023-0125**

21 **Angling Closures to Protect Steelhead in the Columbia River Above the Dalles Dam and**  
22 **Several Tributaries**

23 Adopted 12/22/2021: effective 1/1/2022 through 5/31/2022.

24 These amended rules increase protections for wild summer steelhead in the Columbia River Basin  
25 by closing angling in the Columbia River above The Dalles Dam and in several tributaries.  
26

27 **3.) 635-023-0134**

28 **Reduce Steelhead Bag Limit on Lower Snake River**

29 Adopted 12/22/2021: effective 1/1/2022 through 4/30/2022.

30 These amended rules reduce the daily bag limit for steelhead to two from three hatchery fish per  
31 day in the Snake River from January 1 to April 30, 2022.  
32

33 **4.) 635-016-0090**

34 **Revises Wild Spring Chinook Fishery in the Umpqua River**

35 Adopted 12/22/2021: effective 2/1/2022 through 6/30/2022.

36 This amended rule prohibits retention of all wild Chinook on the Mainstem Umpqua River and  
37 reduces the number retained daily on the North Umpqua River while allowing for retention of  
38 hatchery Chinook salmon from February 1 through June 30.  
39

40 **5.) 635-023-0095**

41 **Reduce Sturgeon Retention Season in The Dalles Pool and Tributaries**

42 Adopted 12/29/2021: effective 1/1/2022 through 6/26/2022.

43 This amended rule reduces the recreational retention season for white sturgeon on the mainstem  
44 Columbia River in The Dalles Pool (The Dalles Dam upstream to the John Day Dam) and all  
45 adjacent tributaries. Retention will only be allowed on Mondays, Wednesdays, and Saturdays from  
46 January 1 through January 26.  
47

1           **6.) 635-0067-0032, 635-067-0034**

2           **Amend Bighorn Sheep Auction and Raffle Tag Open Areas**

3           Adopted: January 1, 2022 – Effective Dates: January 1, 2022, through June 29, 2022

4           Each year one bighorn sheep tag is issued through auction and one bighorn sheep tag is issued  
5           through raffle, with proceeds funding bighorn sheep management. The area open to hunting with  
6           these tags is limited to areas where bighorn sheep hunts and tags have been issued for the current  
7           year. The Fish and Wildlife Commission approved a rule modification to the Tags for Terminally  
8           Ill Children Program allowing up to one bighorn sheep hunting opportunity to be provided each  
9           year to a qualified child but only in an area not compatible with normal season and tag  
10          opportunities. This opportunity for a qualified child may be offered in 2022. Temporary rules are  
11          needed to clarify that the open area to hunt with bighorn sheep auction and raffle tags is limited to  
12          areas with controlled bighorn sheep hunts and controlled tags issued for the current year, which  
13          does not include the potential open area for a bighorn sheep hunting opportunity provided through  
14          the Tags for Terminally Ill Children Program.

15  
16           **7.) 635-017-0090**

17           **Allow Temporary Use of Two Rod Validation in Lower Willamette River**

18           Adopted Date Adopted 1/10/2022: effective 3/1/2022 through 8/15/2022.

19           The proposed rule amendment would allow for the use of the two-rod validation in the lower  
20           Willamette River while fishing for all game and non-game fish species, except sturgeon. The area  
21           includes the lower Willamette River downstream of Willamette Falls (including Multnomah  
22           Channel), and that portion of the Clackamas River downstream of the Highway 99 Bridge (just  
23           upstream of the confluence with the Willamette).

24  
25           Action:

26           Commissioner Spelbrink moved to ratify the seven (7) temporary rules set forth in the agenda.  
27           Commissioner Khalil seconded the motion, and the motion carried unanimously, seven (7) in  
28           favor.

29
