RE: Expansion of Hunting Agreement to include Malheur National Wildlife Refuge Hunt

Dear Mr. Milburn,

The Burns Paiute Tribal Council requests the addition of the Malheur National Wildlife Refuge (Refuge) Buena Vista Hunt unit to the Tribe's harvest area boundaries. We also request revisions to the current hunting agreement (OAR 635-043-0150) between the Tribe and ODFW to adopt any stipulations necessary to incorporate the opportunity for tribal members to hunt with a special use permit issued by the Refuge. This request is made with the support of Malheur National Wildlife Refuge leadership. We look forward to working with you in the future to ensure that Burns Paiute Tribe members have the opportunity to participate in the 2022 Malheur National Wildlife Refuge mule deer hunting season.

Sincerely,
