Hello Commissioners.

My name is John Rosapepe, I am the Endangered Species Coalition's Northwest Representative.

I am forwarding the link to this past October's webinar on the "Science of coexisting with large carnivores" with speakers Dr. Mark Elbroch, Dr. Bridgett vonHoldt, Dr. Naomi Louchouart, Dr. Jeremy Bruskotter, and Dr. Adrian Treves.

It is moderated by Oregon State University's Doctor Paul Nelson.

I hope you will take the time to view it.
