# Access & Habitat:

## Open Fields Access Projects Extension and Block Grant

### Open Fields Access Projects

- Extends the Open Fields Access projects for one year, through the 2025-26 hunting season
- Maintains ~504,000 acres of access

### Block Grant

- Needed due to tight deadline
- All VPA-HIP funds must be spent by 9/1/2025
- Allows for Wildlife Division approval of projects
- Provides funding for habitat projects
- All projects must be consistent with the Open Fields grant

# A&H Spotlight on Emergency Fire Reseedings

Three projects have been  
approved so far reseeding  
**2,900 acres** of  
burned private land
