

Grant Closeout Report

August 16, 2022

To: Oregon Conservation and Recreation Fund

From: Elakha Alliance

PO Box 704

Siletz, Oregon 97380

Project Number: OCRF 06

Project Title: Sea Otter Restoration Feasibility Study

Grant Amount: \$21,500

The Elakha Alliance used the funds, along with funds from other sources, to develop a science-based feasibility assessment of returning sea otters to the Oregon coast. The study was completed in late January 2022 and is was posted on the Elakha Alliance website

<https://www.elakhaalliance.org/feasibility-study/> where it will be available into the future.
