The Elakha Alliance used the funds to support community engagement on the southern Oregon coast related to restoring sea otters in that region. Funds enabled the Alliance to recruit for and contract with an individual to serve as the South Coast Community Liaison. This Liaison began work on April 1, 2022 to conduct outreach and engagement with individuals and organizations in communities in Coos and Curry counties. A portion of the funds were also used to support the position of Director of Community Engagement and Outreach for work with the Liaison and to provide oversight for a Tribal Youth Internship Program in Summer 2022.
