EAST MORAINE COMMUNITY FOREST

ABOUT THE FOREST

The East Moraine Community Forest, the largest privately-owned and contiguous parcel on Wallowa Lake's East Moraine, was conveyed to Wallowa County in January 2020. Federal, state, tribal and private funds used to purchase the property were raised by the Wallowa Lake Moraines Partnership - Wallowa County, Wallowa Resources, Wallowa Land Trust, and Oregon Parks and Recreation Department - to support its vision:

- Maintain sustainable working landscapes;
- Provide public access; and,
- Preserve open space for wildlife, recreation, and natural resources.
