### **Deferred Angling Regulations - Summary**

*note: these proposals are from the 2012 Angling Regulation development process and decisions upon them were deferred until adoption of the **Coastal Multi-Species Conservation and Management Plan (CMP)**; these will be assessed for future adoption as angling regulations based on consistency with the approved CMP's direction*

#### **ODFW** *(all consistent with draft CMP)*

- **Necanicum (all SMUs) - tributaries and stream sections not listed in Zone regulations are closed (to protect cutthroat and juvenile salmonids and to make consistent with Mid-Coast regulations)**
- Nehalem ChF - deadline at Foss Rd Bridge
- **Nehalem (all SMUs) - River and Bay tributaries not listed in Zone regulations are closed (to protect cutthroat and juvenile salmonids and to make consistent with Mid-Coast regulations)**
- **Kilchis ChF - deadline at Tilden Bluff's Road (Barker's /Green) Bridge (RM 11.0)**
- Wilson ChF - deadline at Jordan Crk
- Nestucca ChF - deadline at 5th Bridge *(inconsistent with public proposal)*
- Siletz Drift Crk ChF - deadline at Quarry Crk
- **Siletz R ChF - deadline at Illahee Park (top of Town Loop)**
- Siletz R - protected period ("ChS") deadline at Moonshine Park
- Yaquina R ChF - deadline near head of tide on both forks (Big Elk deadline at Bear Creek (Updyke Road); Yaquina deadline at Simpson Creek near Hwy 20)
- **Alsea Drift Crk ChF - deadline at lower Drift Crk Wilderness boundary (RM 10)**
- Siuslaw Lk Crk ChF - deadline at Indian Crk and opens 10/15
- **Siuslaw Lk Crk CO - deadline at Indian Crk**
- **SF Coos R CO, Chin - deadline at Dellwood**
- **SF Coos Tioga Crk steelhead - open 12/1 instead of trout opener to protect spawning fall Chinook**

#### **PUBLIC**

- (#s: 99P, 73P, 77P; all similar with some variations) Nehalem Chinook - daily bag of 1, closed lower estuary ("jaws"), open to and closed above Peterson Crk *(partially consistent with draft CMP)*
- (#: 36P) Nehalem Chinook - daily bag of 1 and close N Fk above Aldervale *(partially consistent with draft CMP)*
- (#: 92P) Nestucca ChF - move ChF deadline down to First Bridge *(consistent with draft CMP; inconsistent with ODFW proposal)*
- (#s: 56P, 125P, 75P/31P/66P/85P, 18P) Umpqua StW – 1/5 for wild StW in various locations, respectively: NUmpqua, Umpqua main and to Rock Crk, Umpqua main to forks, Umpqua main to RM112 *(concept consistent, though details inconsistent, with draft CMP)*
