
Willamette River Fishery Notice

Oregon State Action

Oregon Department of Fish and Wildlife

November 8, 2010

In state action Oregon approved the following Willamette River fishery rule change:

- **Effective November 9, 2010**, recreational harvest of white sturgeon in the Willamette River, downstream from the Willamette Falls, including Multnomah Channel and the Gilbert River is prohibited.
- Catch and release of sturgeon may continue during retention closures.
