

# ANNOUNCEMENT

## Columbia River Compact

February 23, 2011

### NO COMPACT HEARING TODAY

Results of Tuesday's (Feb 22) test fishing were not favorable for considering a mainstem commercial salmon fishery. A total of three salmon (1 unclipped) and eight steelhead (7 unclipped) were observed from 13 drifts.

### February 22, 2011 - Test fishing results

2011 Spring Chinook Observation Summary_ All data preliminary														
					Chinook Data									
					Lower R.		UpRiver			Steelhead				
# of					Ad-	No	Ad-	No	Total	Total	Ad-	No
