# Columbia River Fishery Notice

**Oregon Department of Fish and Wildlife** **November 13, 2026**

## Joint State Action

The states of Oregon and Washington discussed the following recreational fisheries and took the following action:

***Mainstem Columbia River Recreational Steelhead Fishery***

**The Dalles Dam to the Oregon/Washington state line (upstream of McNary Dam)**

- Effective Friday, January 1 through Wednesday, March 31, 2027, angling for and retention of steelhead is prohibited in the mainstem Columbia River from The Dalles Dam upstream to the Oregon/Washington state line.

All other permanent regulations in the 2027 Oregon Sport Fishing Regulations book will be in effect.

Current regulations are available at: https://myodfw.com/recreation-report/fishing-report/columbia-zone.

## Future Meetings

No Compact or Joint State hearings are scheduled at this time.
