PURPOSE: To present run size expectations for Select Area spring Chinook and to solicit commercial fishing public comment for the 2022 winter, spring, and summer Select Area fishery planning process.

- AGENDA:
1. Discuss expected 2022 spring Chinook returns relative to Select Area fisheries
 2. Discuss management of 2022 winter, spring, and summer Select Area fisheries
 - Season structure and harvest management considerations
 - Staff recommendations for winter spring and summer seasons for Youngs Bay; Blind Slough/Knapka Slough; Tongue Point/South Channel
 - Season setting process
 3. General Discussion

Project Staff:

Cameron Duff	(971) 673-6057	ODFW
Patrick Hulett	(360) 577-0197	WDFW
Steve Meshke	(503) 325-6452	CCF
