1:00 p.m.	<p>Tour: Clear Creek Acclimation Pond, Clackamas Hatchery, Christmas Tree Placement, Salish Pond From our office it is about 45min to Clack hatchery. So this is what I was thinking: 1pm depart office (15min drive) 1:15pm arrive at Carver 1:30pm depart Carver (15min talk load/unload) 1:45pm arrive at Barton Park (15min drive) 2:00pm depart Barton Park (10-15min talk, load/unload) 2:25pm arrive at Clack hatchery (20-25min drive) 2:45 -3:00pm depart Clack hatchery (15min talk, 10-15 bathroom, load/unload)</p> <p>Upon departing Clackamas Hatchery we would head east toward Sandy to connect(Hwy 26, 257<sup>th</sup>) with I84 avoiding potential traffic. I would guess that it will take 1.5hrs to get from Clackamas Hatchery to Bonneville Hatchery at that time of day. So arrival at Bonneville at 4:30pm.</p>	Ben 503-887-2154
