PURPOSE: To present run size expectations for Select Area spring Chinook and to solicit commercial fishing public comment for the 2021 winter, spring, and summer Select Area fishery planning process.

AGENDA:

1. Discuss expected 2021 spring Chinook returns relative to Select Area fisheries
2. Discuss management of 2021 winter, spring, and summer Select Area fisheries
 - Season structure and harvest management considerations
 - Staff recommendations for winter, spring and summer seasons for Youngs Bay, Blind Slough/Knappa Slough, and Tongue Point/South Channel
 - Season setting process
3. General Discussion

Project Staff:

Cameron Duff	(971) 673-6057	ODFW
Patrick Hulett	(360) 577-0197	WDFW
Steve Meshke	(503) 325-6452	CCF
