PRIVATE FOREST ACCORD

**GRANT
PROGRAM**

4. Major Amendment Request

Project Title: Conyers Creek Habitat Diversification and Enhancement - \$572,242.00

- Adjustments made to address significant floodplain loss and severe erosion between Conyers Creek and Roaring Creek.
- Scope Change:
 - Enhanced Habitat Complexity
 - Redirect funding from Nursery
 - Transition wetland enhancement activities to NRCS
 - Refined bank layback designs and wood placement to reduce stream power and improve long term gravel retention

Staff Recommendation: Approve Amendment

5. 2025/'26 Grant Review Cycle Debrief

- Timeline and scoring efficiency/review process
- Communication flow and staff support
- Streamlining the evaluation process
- Identifying gaps in applicant data
- Actionable goals for 2026 solicitation
- Lessons from specific project types
- Consistency in applying standards
- Discussion of process improvements

6. Land Transaction Guidance Document Review

- **Eligibility: Easements on lands other than Forestland to protect riparian areas**
- Recommended Changes
 - Alignment with State Acquisition Programs
 - Dept. of Justice Changes
 - Public Comments
- ODFW is ready to offer in 2026
 - Current iteration after ~2 year process
 - Final portion of Grant Program to meet legislative intent
