

1 does increase the cost of this proposal. However, the results of this seed mix would provide
2 the forage base they are currently lacking. He noted that this landowner has been excellent
3 to work with and while he does not allow for much hunting access on his land, he works
4 closely with the WRWA to provide great wintering habitat.

5

6 Discussion continued on logging, federal efforts on the restoration, and budgets of the
7 WRWA.

8

9 Motion: Amy Patrick moved to approve project as presented. John Breese seconded. Motion
10 passed 4-0.

11

12 **ADJOURNMENT:**

13 Chairman Craig Ely adjourned the meeting at 6:23 p.m.
