The TMA provides publicly managed access opportunity for deer, elk, bear, cougar, grouse, and quail. All Oregon Department of Fish and Wildlife Regulations and Seasons apply. Area may be closed during high fire danger. Landowner designates in the map may vary in accuracy due to frequent land exchanges. Many of the roads that are closed to motor vehicles are gates, posted signs or barriers are open for walk-in hunting only. Please contact individual landowners about their access policy and current closures. Contact information for some landowners is available by visiting www.AccessAndHabitatOr.com and selecting "Private Timberland Contacts and Closures."
