- STATEWIDE REGULATIONS:**
- It is **mandatory to have a descending device** onboard the vessel when fishing for Pacific halibut and to use the descending device when releasing any rockfish species when fishing outside of 30 fathoms.
 - May be taken by angling with a single line, no more than 2 hooks, and by spear.
 - Daily bag limit: 1 Pacific halibut for the Columbia River Subarea, 2 Pacific halibut for the Central Coast and Southern Oregon Subareas. Annual limit: 6. No length limit.
 - Pacific halibut possession limit: 1 daily limit at sea, 3 daily limits on land.
 - Fathom lines and conservation areas are defined by waypoints: myodfw.com/waypoints-sport-fishing
 - Pacific halibut seasons are managed and enforced based on port of landing. Halibut may only be landed into ports located within areas currently open to halibut retention, regardless of area of catch.
 - When angling for Pacific halibut, salmon, bottomfish, tuna, and most other offshore pelagic species may be in possession or landed when Pacific halibut are onboard the vessel as regulations allow.
 - It is unlawful to fish for or take and retain any species while possessing onboard any species not allowed to be taken in that area at that time.**
 - During all-depth halibut days, either the offshore longleader gear fishery **OR** the traditional general marine bottomfish fishery (lingcod and black rockfish) may be combined with halibut.
 - Sablefish and Pacific cod can be combined with all-depth halibut and the longleader gear or traditional bottomfish fishery. When retained, sablefish and Pacific cod will count towards any bottomfish and/or longleader bag limit.
 - Anglers are advised to consult the 2024 Oregon Sport Fishing Regulations for General (statewide), Zone, and Special Regulations prior to fishing.
