

# Alsea Bay

## **Alsea Bay Bridge Interpretive Center:**

- From Hwy 101 South, turn left at the signal onto NW Hemlock St, then right onto NW Maple St.
- From Hwy 101 North, turn right onto NW Spring St, the first street after crossing the bridge.
- Plenty of parking in a paved lot with easy access to the tide flat under bridge. There are stairs down to the beach, bathrooms, and a shellfish regulation sign.

## **William Keady State Wayside:**

- From Hwy 101 South, turn left onto SW Maple St just before reaching downtown Waldport
- From Hwy 101 North, turn right onto SW Maple St before heading uphill after downtown
- Turn left into paved parking lot (passenger car spaces only), path through rip rap to beach, picnic table, and a shellfish regulation sign.

## **HWY 101 roadside, south of MP 156:**

- Parking in gravel pullout opposite the seawall, about a 50-yard walk along the highway and seawall to concrete stairway to access beach.

## **Port of Alsea boat launch:**

- From Hwy 101 South, turn right at signal onto W Hemlock St/Alsea Hwy 34
- From Hwy 101 North, turn left at signal onto W Hemlock St/Alsea Hwy 34
- Turn left onto NE Broadway St and follow to large parking area at the end. There are bathrooms east of the parking area and the Port of Alsea office.

## **Robinson Park (west side of boat launch parking):**

- From Hwy 101 South, turn right at signal onto W Hemlock St/Alsea Hwy 34
- From Hwy 101 North, turn left at signal onto W Hemlock St/Alsea Hwy 34
- Turn left onto NE Broadway St and follow to large parking area at the end.
- Paved parking, easy sand path to tide flat east of bridge, and picnic tables.

## **West end of Ruble St:**

- From Hwy 101 South, turn right at signal onto W Hemlock St/Alsea Hwy 34
- From Hwy 101 North, turn left at signal onto W Hemlock St/Alsea Hwy 34
- Turn left onto NE Commercial St., park along the street in approximately 6 blocks
- Go left on E Ruble St to a 25-yard long foot path through brush and dune grass to access tide flat east of bridge.

## **W. end of Huckleberry St:**

- From Hwy 101 South, turn right at signal onto W Hemlock St/Alsea Hwy 34
- From Hwy 101 North, turn left at signal onto W Hemlock St/Alsea Hwy 34
- Turn left onto N Bay St., then take second left onto NW Huckleberry St.
- Empty lot with un-paved parking and a short path to beach on the east side of bridge. Be aware of the 3 foot drop off at the end of the path.

## **Bay Shore Hotel:**

- From Hwy 101 South, turn left onto NW Bayshore Dr. about 800 yards past the bridge and just past MP 155
- From Hwy 101 North, turn right onto NW Bayshore Dr. before crossing Alsea Bay bridge
- Follow NW Bayshore Dr. south to the hotel at the end of the street and to a large gravel lot by hotel, with sloped sand and gravel access down to beach.

## **South end of Alsea Bay Road:**

- From Hwy 101 South, turn left onto NW Bayshore Dr. about 800 yards past the bridge and just past MP 155

- From Hwy 101 North, turn right onto NW Bayshore Dr. before crossing Alsea Bay bridge
- Turn right at stop sign onto NW Westward Ho Dr., then left onto NW Oceania Dr. Take 4<sup>th</sup> left onto Beachview Dr., then right onto NW Alsea Bay Dr. Park on the side of the road near the end of the street.
- There are 2 foot paths through dune grass to access the beach with lots of woody debris to cross.
