DIVE FISHERY PERMIT HOLDERS**

**Changes to the Oregon Bay Clam Dive Fishery**

The following changes are effective on **April 15, 2026**:

**The commercial Tillamook Bay dive clam fishery for cockle clams will close at 12:01 AM on Wednesday, April 15, 2026, for the remainder of the calendar year due to the attainment of the 110,000 pound annual landing cap. **We also remind dealers it is required to submit electronic fish tickets for all bay clams within one working day of the landing date to be compliant with OAR 635-006-0210 (3), which allows ODFW to monitor landings and more accurately project the date the landing cap will be attained.**

**OAR 635-006-0210**

(3) Except as otherwise provided in this rule, the electronic fish ticket shall be submitted to the Department within one working day of the date of landing.
