BE ADVISED!

AGGRESSIVE DEER IN AREA.

Aggressive deer have been reported in the area. Please follow these safety tips:

- View wildlife from a distance. Never approach deer.
- Keep dogs on leash. Your dog is safer on a leash.
- Leave them be. Don’t pick up fawns. Does protect their fawns and will return.
- Don’t feed wildlife. Deer fed by people can become aggressive.
- Stay alert. Especially at dawn and dusk.
