FALL GRAND TOTAL	1,932	8,424	4	926	0.48	0.11

(a) Summary of hunters by WMU is only based off the unit the hunter reported hunting in the most. Therefore, if a hunter hunted in more than one WMU they are only counted in the unit they hunted most.

(b) Summary of hunter days by WMU only captures the number of dates a hunter spent in the unit they hunted most.
