

**Wildlife Conservation/West Region**  
**District Intern (Tillamook)**  
Oregon Department of Fish and Wildlife  
North Coast Watershed District  
Job Number 25

- Location:** Tillamook, OR. Housing is available.
- Pay:** 17.32/hr
- Duration:** Not to exceed 400 hours (May/June 2024- July/August 2024, negotiable)
- Job Description:** Primary duties will provide a student intern with on the job training experiences related to wildlife management while focusing on non-game wildlife work in support of the Oregon Conservation Strategy. The benefit of this position is to recruit and train potential employees seeking careers in conservation and wildlife management. Intern is expected to gain the ability to develop and refine academic and professional goals as well as understand the structure and operation of a natural resource agency.

**Working Duties:**

- 30% - Conduct surveys in support of the Oregon Conservation Strategy**
- Survey turtles in interdunal lakes, ponds and reservoirs
    - Collect species richness, individual morphometric data
    - Use visual and active capture techniques
  - Deployment of bat monitoring equipment
  - Survey olive-sided flycatcher
  - Survey coastal-tailed frogs at Jewell Meadows Wildlife Area
- 30% - Assist with co-operative ODFW/USFS Wildlife Habitat Projects**
- Mt. Hebo Violet surveys
  - Wildlife forage vegetation surveys
  - Avian monitoring plots
  - Native seed collection for coastal meadow avian pollinators
  - Assist USFS staff implement western snowy plover habitat protection
- 30% - Assist with conducting other wildlife population surveys**
- Assist with Osprey Surveys
  - Conduct Band-tailed Pigeon surveys
  - Lower Columbia River goose capture and banding

- Assist with camera deployment and monitoring
- Assist with large carnivore mortality sampling

**10% - Assist with other miscellaneous duties as necessary**

- Give presentations to sporting groups or landowner groups
- Maintenance of wildlife equipment and vehicles
- Data management
- Collect biological samples
- Assist with wildlife habitat improvement projects

**Work Conditions:** Frequently works outside during inclement weather and may be required to work before and after daylight. Occasionally required to work on weekends. Employee may work independently while driving long hours during potentially adverse weather conditions. Contact with the public and other agency personnel are frequent and a well-developed sense of diplomacy and ability to interact in a professional manner is essential.

This position requires a flexible work schedule that varies in the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which the starting and stopping times vary on a daily basis, but not necessarily each day, and does not exceed forty (40) hours in a workweek. Work exceeding 40 hours per week requires prior approval by the supervisor.
