

East Region District Management Intern (La Grande)
Oregon Department of Fish and Wildlife
Job Number 11

- Location:** La Grande, OR
Remote housing may be available
- Pay Range:** \$19.77 - \$22.23 per hour
- Duration:** Not to exceed 400 hours (10 weeks) (May 2025 - September 2025)
- Job Description:** Primary duties will be to provide a student intern with on-the-job training experiences related to management of big game. Specifically, the intern will implement a Rocky Mountain elk survey and improve existing Travel Management Areas in the Mount Emily and Catherine Creek Wildlife Management Units.
- Other benefits of this position are to recruit and train potential employees seeking careers in wildlife management. Intern is expected to gain the ability to develop and refine academic and professional goals as well as understand the structure and operation of a natural resource agency.
- Duties:**
- Assist with conducting surveys of wildlife populations (30%)**
 - Rocky Mountain elk herd composition surveys
 - Wolf monitoring surveys
 - Deployment of bat monitoring equipment
 - Assist with upland gamebird brood counts
 - Assist with Travel Management Areas (40%)**
 - Verify road closure designations and maps
 - Install appropriate signs
 - Record discrepancies in GIS and recommend solutions
 - Assist with implementation of district programs (20%)**
 - Assist in bear and cougar harvest check-ins
 - Data organization and quality control
 - Assist staff in addressing wildlife conflicts
 - Assist with miscellaneous duties as necessary (10%)**
 - Maintenance of wildlife equipment, vehicles and facilities
 - Other duties as assigned

**Working
Conditions:**

Successful applicants must be in good physical health, possessing the ability to hike long distances over steep, rocky, and remote terrain in often inclement weather. Applicants may be required to camp overnight in remote conditions. Applicant may be housed in a remote cabin without electricity or hot water for a portion of this term. Applicant should have a positive attitude while working odd, long, and variable hours. Contact with the public and other agency personnel are frequent and a well-developed sense of diplomacy and ability to interact in a professional manner is essential.

This position requires a flexible work schedule that varies in the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which the starting and stopping times vary on a daily basis, but not necessarily each day, and does not exceed forty (40) hours in a workweek. Work exceeding 40 hours per week requires prior approval by the supervisor. Applicant must be available to start working on or before June 9, 2025.

Preferred Skills:

Preference will be given to applicants that have some or all of the following skills: 1) GPS navigation and map reading skills; 2) Ability to work safely alone in remote areas; 3) Safely operate a 4WD pickup and ATV; 4) Experience with outdoor activities such as hunting, wildlife tracking, hiking, and camping; 5) Ability to handle dead animals or parts of dead animals for the purpose of taking samples.
